the NHL under their new GM former player agent Mike Gillis Cool calculating and unsparing with the media the onetime number one draft pick of the old Colorado Rockies swept away the tangled psychological past of the Canucks with bold innovation remodeling Vancouver as a destination city for NHL star players To do so he built the Canucks from a non playoff team in 2008 to the best in hockey from 2010 2012 He modernized the players diets and psychological approach he rebuilt the dressing room and he sought sleep consultants to help with the Canucks punishing travel schedule More than that his winning team lifted Vancouver from eighth overall in NHL revenues to second by 2013 When the team took to the ice for Game 7 of the 2011 Cup Final it seemed there was nothing the Canucks couldn t overcome with their Canucktivity approach The hockey world was at their feet But things changed in Game 7 Physically exhausted and bullied by the Bruins the Canucks succumbed 4 0 To cap the greatest season in team history Vancouver rioted Gillis tried a number of aggressive moves to get back to the Final from switching Luongo for Schneider to trading players but nothing worked From there the dominoes fell Alain Vigneault was dismissed John Tortorella hired Tortorella raged fans bayed for Gillis head and finally Gillis and Tortorella were both fired In spring 2014 tried and true Canuck hero Trevor Linden was installed as president with former

teammate Jim Benning by his side as GM No one was quite sure if this was an improvement but at least the hysterical screaming had stopped How did it happen Ice Storm follows the journey that led the Canucks from the top of the mountain to the bottom of the abyss in six short years

[The Real Madrid Way](#) Steven G. Mandis, 2016-10-11 The untold story of Real Madrid one of the most incredible turnarounds in sports and business history Real Madrid is the most successful sports team on the planet The soccer club has more trophies than any other sports team including 11 UEFA Champions League trophies However the story behind the triumph goes beyond the players and coaches Generally unnoticed a management team

consisting mostly of outsiders took the team from near bankruptcy to the most valuable sports organization in the world How did Real Madrid achieve such extraordinary success Columbia Business School adjunct professor Steven G Mandis investigates Given unprecedented behind the scenes access Mandis is the first researcher to rigorously analyze both the on the field and business aspects of a sports team What he learns is completely unexpected and challenges the conventional wisdom that moneyball fueled data analytics are the primary instruments of success Instead Real Madrid's winning formula both on and off the field from player selection to financial management is based on aligning strategy with the culture and values of its fan base Chasing the most talented and most expensive players can be a recipe for a winning record but also financial disaster as it was for Real Madrid in the late 1990s Real Madrid's management believes that the club exists to serve the Real Madrid community They discovered that its fans care more about why the team exists how their club wins and whom it wins with versus just winning The why how and whom create a community brand and identity and inspire extraordinary passion and loyalty which has led to amazing marketing and commercial success in turn attracting and paying for the best players in the world with the values the fans expect The club's values and culture also provide a powerful environment for these best players to work together to win trophies The Real Madrid Way explains how Real Madrid has created and maintains a culture that drives both financial and on the field success This book is an engrossing account of the lifetime of one of the greatest clubs in the most popular sport in the world and for business and organization leaders it's an invaluable inside look at a compelling alternative model with lasting competitive advantages that can deliver superior and sustainable returns and performance
