Stock-Picking Lessons from One of Wall Street's Top Tech Analysts Mark Mahaney, 2021-11-09 Find the winners avoid the losers and build a solid Tech portfolio for the long run with proven methods from legendary analyst Mark Mahaney The Tech industry is the stock market s hottest most profitable sector but it can be a roller coaster ride Companies with great ideas can end up going nowhere and some that dominate today will be sold at fire sale prices in five years Sure things can become sore things very rapidly Nothing But Net provides the knowledge and insights you need to understand what s really hot to know what s not and to outperform other investors consistently and decisively Famous for his smart savvy and unique approach to Tech stock investing Mark Mahaney provides his 10 proven rules for succeeding as a long term Tech stock investor explaining everything he s learned during almost 25 years of analyzing internet stocks including Why revenue growth and customer metrics not earnings are what matter most to Tech investors How to invest not trade in the great growth opportunities that lie ahead How to determine when high valuations are a warning sign and when they signal an opportunity I ve watched the rise of some of the leading companies of today Facebook Amazon Netflix Google and the fall of some of the leading companies of yesterday Yahoo eBay and AOL Mahaney writes Figuring out which companies really are going to be dominant franchises is an extremely hard thing to do But those who accomplished this were arguably able to generate some of the best portfolio returns in the stock market over the past generation Nothing But Net provides powerful advice for the next two decades lessons you can start applying today and use for years to come **The Feminist Fallacy**

Conrad Riker, Are you tired of swiping left on countless dating apps only to find women who seem to have impossibly high standards Are you struggling to understand why women are increasingly rejecting men at their level in favor of an idealized version of a man that doesn t exist If so this book is for you The Feminist Fallacy explores the modern phenomenon of hypergamy where women naturally seek to marry up in status and how social media has exacerbated this problem It delves into the role that left wing ideologies like Marxism play in distorting women s self perception and expectations and the contradictions within feminism that encourage women to look down on men who don t meet their unrealistic standards This

eye opening book also examines the obsession with the 1% man prototype and the psychological impact on men who are constantly undermined and berated by the very women they are trying to attract It investigates the growing trend of men choosing to opt out of relationships and marriage and what this means for the future of relationships between men and women The Feminist Fallacy ultimately seeks to expose the truth about the state of relations between men and women and promote a more balanced and realistic understanding of the sexes It provides potential solutions and strategies for both men and women to find a more fulfilling relationship dynamic based on mutual respect and understanding of biological and psychological realities If you want to understand the complexities of modern dating and relationships and develop strategies for navigating this difficult landscape then buy this book today Read The Feminist Fallacy and join the redpill revolution for a better future for both men and women
