

a beautiful
and detailed
introduction to tatting!

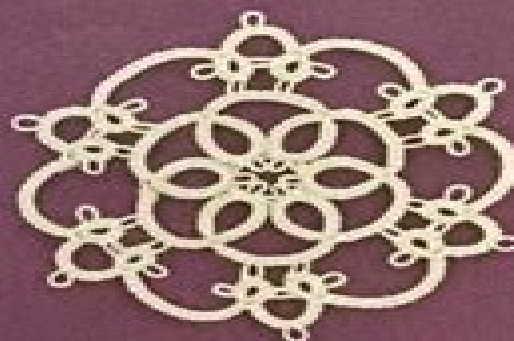

Tatting is a means of creating lace by looping threads together using tiny shuttles and one's fingers (with occasional help from a crochet hook). It creates dainty chains and edgings as well as single motifs and is used as edging and decoration for textiles and clothing, as jewelry, or as large-scale lace projects in itself. Tatting is getting new respect in the crafting world as people discover its traditional beauty while giving it a more modern inflection.

With the growing interest in lace of all kinds, *New Tatting* is a fantastic book for getting started in this craft. Offering incredible step-by-step photos and beautiful projects, *New Tatting* explores modern color schemes and a fresh approach to tatting projects; it will appeal to people who have never tatted before as well as tatters looking for something new and interesting.

If you are interested in lace, you'll find *New Tatting* is your go-to book, offering everything you need to get started.
