that is commonly quoted to restrict women's roles My conclusion is that that it does not provide clear evidence of a permanent prohibition of women in leadership roles **Discovering Jesus** William Barclay, 2000-02-01 Barclay takes readers through key events in Jesus' life through straightforward language accompanied by maps, charts, tables, checklists and quizzes Full color illustrations **The Oxford Handbook of the Bible in China** Khiok-Khng Yeo, 2021 The Oxford Handbook of the Bible in China deftly examines the Bible's translation, expression, interpretation and reception in China Forty-eight essays address the translation of the Bible into China's languages and dialects, expression of the Bible in Chinese literary and religious contexts, Chinese biblical interpretations and methods of reading and the reception of the Bible in the institutions and arts of China This comprehensive and unique volume presents insightful, succinct and provocative evidence about and interpretations of encounters between the Bible and China for centuries past, continuing into the present and likely prospects for the future Hebrews (Catholic Commentary on Sacred Scripture) Mary Healy, 2016-08-16 Examine the New Testament from within the living tradition of the Catholic Church Well-respected New Testament scholar and popular speaker Mary Healy unpacks the Letter to the Hebrews, making its difficult and puzzling passages accessible to all Healy's commentary shows how Hebrews reveals the meaning of Christ's death in light of the Old Testament figures, rites and sacrifices that foreshadowed it Healy explains that Hebrews, when fully understood, transforms our understanding of who God is, what he has done for us, and how we are to live as Christians today The CCSS relates Scripture to Christian life today, is faithfully Catholic and is supplemented by features designed to help pastoral ministers, lay readers and students better comprehend the Bible and use it more effectively Commentary features include Biblical text from the New American Bible Revised Edition (NABRE), References to the Catechism, the Lectionary and related biblical texts Theological insights from Church fathers, saints and popes Reflection and application sections for daily Christian living Suggested resources and an index of pastoral subjects Attractively packaged and accessibly written, the CCSS aims to help readers understand their faith more deeply, nourish their spiritual life and share the good news with others Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B. Hays' Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical-critical and narrative-critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system *Catalogue of Stirling's and Glasgow*
