New Years Diary 1 Erotic Romance

Theresa DiDonato, Brett Jakubiak

New Years Diary 1 Erotic Romance:

The Sex Diaries Bettina Arndt, 2009 From the time I started working as a sex therapist back in the early 1970s people have been talking to me about their sex lives What I hear about most is the business of negotiating the sex supply How do couples deal with the strain of the man wishing and hoping while all she longs for is the bliss of uninterrupted sleep In *The Sex Diaries* Australia's leading sex therapist Bettina Arndt uncovers the night time drama being played out in bedrooms everywhere the creeping hand and feigning of sleep the staying up late in the hope that he will doze off It is one of the great inconvenient truths of relationships that after the first blissful years together most men want more sex than their female partners Bettina Arndt recruited ninety eight couples to keep diaries revealing their intimate negotiations over sex Who feels like having sex Who doesn't And how do couples cope if one person wants it more than the other She draws on her thirty five years of experience as a sex therapist and psychologist to provide a provocative analysis that challenges our basic assumptions about sex With her characteristic humour and insight Bettina Arndt proposes a new approach to how couples can enjoy regular sex and sustain loving relationships

Love and Romance in China Pan Wang, 2025-09-04 Love and Romance in China examines love affection and emotions in China from Maoist to contemporary China focusing on the intersections with politics economics gender class race and technology From the founding of the People's Republic of China to the end of the Cultural Revolution political ideology and class struggle dominated everyday life and love was subordinated to the communist revolution and socialism During the Cultural Revolution this turbulent period witnessed the paradoxical existence of self abstinence and self indulgence Since China changed its political ideology in 1979 and shifted to a market oriented economy the country embraced the idea of romantic love This emotional turn fostered opportunities for diverse intimate relationships characterized by the growth of cross cultural love LGBTQI love and the emergence of a sexual revolution Zhang 2011 Jeffreys and Yu 2015 The new dynamic was linked to contested discourses of fantasised eroticized and racialized foreign love intertwined with nationalist sentiments and ongoing tensions between sexual minorities and the government The new millennium has witnessed love crises characterised by growing concerns about leftover men and women high divorce rates declining marriage and birth rates and other relationship problems The deepening of the market economy and technological advances have turned love into a fast food commodity for mass consumption manifested in dating shows digital platforms and intimacy between humans and AI dolls Wang draws on a wide range of texts including government statistics on marriages and divorces legal documents Maoist folk songs poems posters love letters media texts popular discourses online dating websites and ethnographic observations and interviews

and Other Reflections on Love, Violence and Masculinity Kopano Ratele, 2022-09-01 Using conversations observations and reflections psychologist Kopano Ratele meditates on love violence and masculinity This book seeks to imagine the possibility of a more loving masculinity in a society where structural violence failures of government and economic inequality underpin much of the violent behavior that men display Enriched with personal reflections on his own experiences as a partner father psychologist and researcher in the field of men and masculinities *Why Men Hurt Women and Other Reflections on Love Violence and Masculinity* is Kopano Ratele s meditation on love and violence and the way these forces shape the emotional lives of boys and men At the core of these critical and deeply insightful texts is the question of why men hurt women they love Ratele contends that many men in our society suffer from a painful unrecognized yet consequential love hunger that sets in during boyhood This need for love may lie at the root of some of the male violence that damages the lives of women children and men themselves Blending academic analysis and rigor in a readable narrative style Ratele illuminates the complex nuances of gender intimacy and power in the context of the human need for love and care While unsparing in his analysis of men s inner lives Ratele lays out a path for addressing the hunger for love in boys and men He argues that just as the beliefs and practices relating to gender sexuality and the nature of love are constantly being challenged and revised so our ideas about masculinity and men s and boys capacity to show genuine loving care for each other and for women can evolve

Well-Read Lives Barbara Sicherman, 2010-04-15 In a compelling approach structured as theme and variations Barbara Sicherman offers insightful profiles of a number of accomplished women born in America s Gilded Age who lost and found themselves in books and worked out a new life purpose around them Some women like Edith and Alice Hamilton M Carey Thomas and Jane Addams grew up in households filled with books while less privileged women found alternative routes to expressive literacy Jewish immigrants Hilda Satt Polacheck Rose Cohen and Mary Antin acquired new identities in the English language books they found in settlement houses and libraries while African Americans like Ida B Wells relied mainly on institutions of their own creation even as they sought to develop a literature of their own It is Sicherman s masterful contribution to show that however the skill of reading was acquired under the right circumstances adolescent reading was truly transformative in constructing female identity stirring imaginations and fostering ambition With *Little Women* s Jo March often serving as a youthful model of independence girls and young women created communities of learning imagination and emotional connection around literary activities in ways that helped them imagine and later attain public identities Reading themselves into quest plots and into male as well as female roles these young women went on to create an unparalleled record of achievement as intellectuals educators and social reformers Sicherman s graceful study reveals the centrality of the era s culture of reading and sheds new light on these women s Progressive Era careers

Love and Marriage in Globalizing China Wang Pan, 2014-11-13 As China globalizes the number of marriages between Chinese people and foreigners is increasing These Chinese foreign marriages have profound implications for China s cultural identity

This book based on extensive original research outlines the different types of Chinese foreign marriage and divorce and the changing scale and changing patterns of such marriages and divorces and examines how such marriages and divorces are portrayed in different kinds of media It shows how those types of Chinese foreign marriage where Chinese patriotism and Chinese values are preserved are depicted favourably whereas other kinds of Chinese foreign marriage especially those where Chinese women marry foreign nationals are disapproved of male foreign nationals being seen as having a propensity to infidelity deception violence and taking advantage of Chinese women The book contrasts the portrayal of Chinese foreign marriage with the reality and with the depiction of Chinese Chinese marriage where many of the same problems apply Overall the book sheds much light on changing social processes and on current imaginings of China s place in the world
