Commentary series continues to be one of today's top selling commentary series. These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways. *Priesthood and Temple in John's Apocalypse* Timothy B. Tse, 2024-12-12 Timothy B. Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place, scholarship has overlooked the importance of his spatial transformation of that language. Tse thus uses theories relating to Relevance, Resistance Theory, Critical Space Theory, and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to re-present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live. Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation. John's description of the visionary world creates the metaphors: the earth is a Sanctuary and the Saints are its priests. Tse argues that under this view, life on earth must be evaluated according to the concerns of the Sanctuary, which by definition requires the removal of everything impure, and the Saints, namely all Christians in both the historic and visionary worlds, must take priestly responsibility for the earth. John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan, Babylon, and all her impurities. Tse concludes that overall, John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality. **The Book of Ezekiel, Chapters 25-48** Daniel I. Block, 1998-06-19 This work completes Daniel Block's two-volume commentary on the book of Ezekiel. The result of twelve years of studying this difficult section of Scripture, this volume like the one on chapters 1-24 provides an excellent discussion of the background of Ezekiel and offers a verse by verse exposition that makes clear the message of this obscure and often misunderstood prophet. Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty-first century. *Mark 1-16 MacArthur New Testament Commentary Two Volume Set* John MacArthur, 2015-03-19 This package includes the two-volume set of the Gospel of Mark from the MacArthur New Testament Commentary series. Mark 1-8 and Mark 9-16. Mark 1-16 set is The MacArthur New Testament Commentary's look at the second of the four gospels. This commentary set provides a verse by verse and phrase by phrase exposition of the text, taking into account the cultural, theological, and Old Testament contexts of each passage. Interpretive challenges are fully dealt with, and differing views are fairly evaluated. Use this set of The MacArthur New Testament Commentary series to assist you in your study of this cherished New Testament book. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are

most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
