Pluralism Comes of Age Charles H. Lippy, 2015-05-20 This acclaimed work surveys the varied course of religious life in modern America Beginning with the close of the Victorian Age it moves through the shifting power of Protestantism and American Catholicism and into the intense period of immigration and pluralism that has characterized our nation s religious experience **Religious Organizations in Community Services** Terry Tirrito, Toni Cascio, 2003-01-16 This book explores the scope and breadth of religious organizations in social work practice It begins by tracing the origins of the social work profession back to the earliest civilizations and their religious traditions establishing the precedent for a fruitful commingling of religion and social welfare The contributors propose that religious faith organizations can assume responsibilities for social welfare in the 21st century using the Korean Church as one example of an effective provider of social services A 12 step model for religious organizations to use to develop community action programs is also presented *American Catholic* Charles Morris, 2011-08-24 A cracking good story with a wonderful cast of rogues ruffians and some remarkably holy and sensible people Los Angeles Times Book Review Before the potato famine ravaged Ireland in the 1840s the Roman Catholic Church was barely a thread in the American cloth Twenty years later New York City was home to more Irish Catholics than Dublin Today the United States boasts some sixty million members of the Catholic Church which has become one of this country s most influential cultural forces In *American Catholic The Saints and Sinners Who Built America s Most Powerful Church* Charles R Morris recounts the rich story of the rise of the Catholic Church in America bringing to life the personalities that transformed an urban Irish subculture into a dominant presence nationwide Here are the stories of rogues and ruffians heroes and martyrs from Dorothy Day a convert from Greenwich Village Marxism who opened shelters for thousands to Cardinal William O Connell who ran the Church in Boston from a Renaissance palazzo complete with golf course Morris also reveals the Church s continuing struggle to come to terms with secular pluralist America and the theological sexual authority and gender issues that keep tearing it apart As comprehensive as it is provocative *American Catholic* is a tour de force a fascinating cultural history that will engage and inform both Catholics and non Catholics alike The best one volume history of the last hundred years of American Catholicism that it has ever been my pleasure to read What s appealing in this remarkable book is its delicate sense of balance and its soundly grounded judgments Andrew Greeley *God's New Man* Paul Collins, 2005-10-20 The dramatic events leading up to the appearance of white smoke over the Vatican and the

public declaration from the balcony of St Peters Habemus Papam has been the most remarkable yet in the election of any Pontiff The demise of Pope John Paul II was anticipated ever since he was rushed to Gemelli hospital on February 1st Now he has died the legacy of this outstanding Pontiff is already the matter of fierce debate A number of his closest advisers like Cardinals Ratzinger and Sodano are already fairly powerless as the Conclave has chosen a Pontiff more interested in the North South axis than that of East West The final part of this important new book is an in depth profile of the new Pope His Holiness Pope XXX The middle part of the book is an account of the Conclave the politicking and the jockeying for position But it also contains character sketches of those who have been serious contenders for the See of Peter Cardinal Walter Kasper Cardinal Tettramanga of Florence Cardinal Christoph von Schonborn of Vienna Cardinal Arinze of Nigeria Cardinal Claudio Hummes of Sao Paulo and Cardinal Rodriguez Madariaga of Honduras There is also a sketch of some of the complete outsiders Nobody could be more suited than Paul Collins to write this incisive and informative account he has already published books on the History of the Papacy *The Living Church* ,1942 **The Official Year-book of the Church of England** Church of England,1891 **Military Chaplains' Review** ,1979 **The Study of Ministry** Martyn Percy,Ian Markham,Emma Percy,Francesca Po,2019-05-05 The Study of Ministry is a comprehensive guide to the theory and practice of ministry that attends to historical sources the social sciences pastoral theology ecclesiology and cultural studies The book argues for the study of ministry to be taken seriously as an aspect of ecclesiology and pastoral theology providing a stimulating resource both for practising ministers and for all those training for ministry in a range of denominations
