The Jackson Pollock Sketchbooks in the Metropolitan Museum of Art Katharine Baetjer, Jackson Pollock, Nan Rosenthal, Lisa Mintz Messinger, Metropolitan Museum of Art (New York, N.Y.), 1997 On Alexander Gardner's Photographic Sketch Book of the Civil War Anthony W. Lee, Elizabeth Young, 2007 Lee and Young have admirably elucidated this foundational volume in the history of American photography by developing references that emerge from prior readings of these images as well as thoughtfully producing new ways of seeing the landscapes Gardner presents The book makes available to a wide audience one of the most important photographic records of any war and certainly the most interesting visual record of the American Civil War This is superior scholarship Shirley Samuels author of *Facing America* Iconography and the Civil War Anthony Lee and Elizabeth Young's deceptively slim volume is a complex enlightening and elegant study of a significant Civil War era document that also greatly enhances our understanding of nineteenth century visual culture The analysis and format of this collaborative effort will serve as a model for cultural scholarship for years to come Joshua Brown author of *Beyond the Lines* Pictorial Reporting Everyday Life and the Crisis of Gilded Age America In this beautifully written analysis of one of the most important works of nineteenth century American photography Lee and Young restore Gardner's Sketch Book to its rightful place as a key document of American history At once a report of a newsworthy event and a meditation on its historical meaning Gardner's album is less unmediated reportage than a carefully constructed argument In clear lucid prose Lee and Young help us understand just how Gardner made this work that helped fix the Civil War in American memory Martha A Sandweiss author of *Print the Legend* Photography and the American West *New York Sketchbook* Shizou Kubo, 2017-12-16 Sketchbooks For Artists Designers Men Women Boys And Girls Blank Drawing Book 120 Pages 8 5 x 11 size perfect clean crisp white paper for all your drawing and art work Suitable for most media including pencils pens acrylics and light felt tipped pens Order your Blank Drawing Book journal today It makes the perfect gift for kids and students Check Out Our Wide Range Of Sketchbooks Covers And Famous Artists Sketchbook Get Your Copy Today

Recto Verso: Redefining the Sketchbook Angela Bartram, Nader El-Bizri, Douglas Gittens, 2016-04-08 Bringing together a broad range of contributors including art architecture and design academic theorists and historians in addition to practicing artists architects and designers this volume explores the place of the sketchbook in contemporary art and architecture Drawing upon a diverse range of theories practices and reflections common to the contemporary conceptualisation of the sketchbook and its associated environments it offers a dialogue in which the sketchbook can be understood as a pivotal working tool that contributes to the creative process and the formulation and production of visual ideas Along with exploring the theoretical philosophical psychological and curatorial implications of the sketchbook the book addresses emergent digital practices by way of examining contemporary developments in sketchbook productions and pedagogical applications Consequently these more recent developments question the validity of the sketchbook as both an

instrument of practice and creativity and as an educational device International in scope it not only explores European intellectual and artistic traditions but also intercultural and cross cultural perspectives including reviews of practices in Chinese artworks or Islamic calligraphy and situational contexts that deal with historical examples such as Roman art or modern practices in geographical cultural regions like Pakistan The sketch book.
