V. Eunson, 2012-04-18 In

1860 the first ever golf major was held in Prestwick a man from East Lothian won In 1871 the first ever rugby international in the world took place in Edinburgh Scotland won In 1872 the first ever association football international in the world was hosted in Glasgow it was a draw All three of these momentous events in the history of sport even if they did not seem that way at the time were held in Scotland and for the next century and more Scottish sporting men and women were pioneers in the growth of sport around the world *Sporting Scots* tells the incredible stories of the Scots who brought sport to the globe and transformed the histories of golf football rugby athletics ice hockey cricket swimming baseball cycling motor racing and many other sports in the process It is also the modern history of the Scots abroad as they left the Auld Country far behind them for fame or fortune or for simple economic necessity and left a lasting sporting legacy around the globe *Journeys to New Zealand Aotearoa* Kalman Dubov, 2021-12-05 I visited New Zealand twice in December 2017 and in March 2020 Both instances were while I was on the cruise ship the magnificent Amsterdam Holland America Lines flagship This book reflects on my time in New Zealand during the first visit The second visit was a time of increasing awareness of the dangers of Covid 19 soon causing many countries to close their ports to visitors My review and analysis of New Zealand begin with its geography reviewing the micro continent now reflecting but the remnant of a larger and now non existent landmass I focus on New Zealand s three main islands its geography flora and fauna I then discuss the arrival of the Maori a controversial topic with most scholars agreeing to the 1280 CE year when they arrived on these islands An alternate view claims the Maori arrived here many centuries earlier though no evidence validates this claim Regardless of when they arrived the Maori retain their own culture cuisine dress and way of living Modern New Zealand s history begins with the arrival of the famed English explorer James Cook in 1769 followed by English settlers The arrival of Europeans changed the country and the way the Maori related to each other as well as to the new European arrivals The Musket Wars saw the first change These were wars fought between the Maori with added lethality of using European weaponry That consequence of the wars prompted the signing of the Waitangi Treaty which many Maori chieftains agreed to in exchange for receiving Crown protection and citizenship This Treaty however was in two versions an English and another in Maori resulting in the debate of what the

Maori actually agreed to and if they surrendered sovereignty by signing the document The Treaty and its provisions are today the subject of controversy with the government agreeing to compensations for Maori losses Some of those losses resulted from confiscations during the New Zealand Wars when rebellious Maori were suppressed and the land was taken from them I also review the different wars fought by New Zealand first as a British colony and later as an independent Commonwealth New Zealanders are proud of their connection to the Mother Country When Britain was involved in the conflict New Zealand immediately stood at her side committing soldiers in her defense also review the French attack on the Rainbow Warrior a Greenpeace ship an act sanctioned by the highest echelon of the French government New Zealand was shocked by the reticence of Western world powers against this attack The fact New Zealand stood alone in the face of this attack on its territory made it realize it had to adopt its own political agenda Perhaps because New Zealand stood alone in the aftermath of this French attack on its soil bolstered its leadership to declare a national anti nuclear policy That policy resulted in harsh rhetoric and distance from the United States though the ANZUS Treaty was not abrogated as a result New Zealand today remains a member of the Five Eyes consisting of a consortium of English speaking countries that gathers and shares intelligence New Zealand has a small but active Jewish community primarily in Auckland and Wellington I visited the Auckland Jewish community and was able to assess the country s relationship with the State of Israel The section on My Visit reflects visiting Waitangi House in the Bay of Islands Tauranga Rotorua as well as Auckland New Zealand is a beautiful country and I was enriched by visiting and becoming aware of its history traditions and people I hope that the pandemic will be history to once again sail the waters and visit this distant land

**The Worst Songs in the World** David Pate,2024-08-06 The best known songs in the world are violent sexist and religious so why do we celebrate national anthems when we should be rewriting them The story begins in a London theatre in 1745 where the modern idea of anthems started out as triumphant expressions of national superiority They glorified violence claimed the support of God for their country and mostly ignored women David Pate says it s time to dump lyrics about cutting throats watering fields with blood building walls with the bodies of enemies and celebrating the sound of machine guns From the author s own youth as a schoolboy in Scotland when he was caned for refusing to sing God Save the Queen to the ubiquity of anthems in sports and as weapons for extreme patriotism The Worst Songs in the World looks at the origins of many of the world s anthems including the movie theme song that became China s national anthem and the English tune used for The Star Spangled Banner This wide ranging deeply researched narrative combines politics personalities humour and vivid storytelling to argue for what we should all want better national songs
