Turner II,2018-07-06 The NFL is the most popular professional sports league in the United States Its athletes receive multimillion dollar contracts and almost endless media attention The league s most important game the Super Bowl is practically a national holiday Making it to the NFL however is not about the promised land of fame and fortune Robert W Turner II draws on his personal experience as a former professional football player as well as interviews with more than 140 current and former NFL players to reveal what it means to be an athlete in the NFL and explain why so many players struggle with life after football Without guaranteed contracts the majority of players are forced out of the league after a few seasons Over three quarters of retirees experience bankruptcy or financial ruin two thirds live with chronic pain and too many find themselves on the wrong side of the law Robert W Turner II argues that the fall from grace of so many players is no accident The NFL he contends powerfully determines their experiences in and out of the league The labor agreement provides little job security and few health and retirement benefits and the owners refuse to share power with the players making change difficult And the process of becoming an elite football player from high school to college and through the pros leaves athletes with few marketable skills and little preparation for their first Sunday off the field With compassion and objectivity *Not for Long* reveals the life and mind of high school college and NFL athletes shedding light on what might best help players transition successfully out of the sport *NFL: The Ultimate Fan's Guide* Neil Reynolds,2025-09-04 Everything you need to know about American Football From the draft to the Superbowl via epic touchdowns and crunching tackles American football is a fast and violent game of chess This comprehensive handbook from Sky Sports presenter Neil Reynolds offers a deep dive into the NFL s greatest teams and moments Covering key concepts such as the importance of field goals quarterbacks and wide receivers NFL The Fan s Guide reveals the extreme athleticism and complex tactics needed to dominate the modern game Whether you re a seasoned fan or new to the game insights into all 32 NFL teams mean that this must have guide will take your game day experience to new heights *Pro Football Schedules* Ivan Urena,2013-12-03 This book explains how the NFL determines each team s opponents and how the league s scheduling format has evolved throughout the years It includes a history on the evolution of the pro football schedule explores all of the scheduling formulas used in the National Football League American Football League and the All America Football Conference and presents home and away opponent charts from 1933 through the 2017 season *The Cleveland Rams* James C.
