Numbers of the Lord Mark David, 2012-02-07 Biblical numbers have spiritual meaning and this spiritual meaning can also be understood chronologically How did the Wise Men for example know what the Star of Bethlehem meant when it appeared Is there some formula to relate these numbers to time The answer is yes Biblical

numbers are part of a brilliant system stating Gods blueprint of the history of His church and of the world In some cases a code utilizing the Golden Ratio even dates the Biblical event recorded in the text in which the numbers are embedded the birth of Christ for example In other cases the numbers project the time the events will occur and are chronological prophecies the fall of Jerusalem to the Roman general Titus in 70 a d or the Moslems sacking New York City in 2001 9 11 In all cases this book elucidates the power of God to ordain Time in order to make the history of the world *THE*

bureaucratic quagmires which complicates and destroys the interest of the victimized citizens Although considered outrageous by some he provides opinions on how he thinks organized crime and the mafia was a better alternative to the current drug infested street crime His human instincts will open the public s eyes and hearts for a better society based on love and care for all humans The author hopes this book will wake up Americans to strive for equal justice for all regardless of your social status color or religion The Authors main point is to expose his characterization of the hypocrisy of government officials who don t care about the people but only the power they posses His colorful sexual encounters and lustful desires add some levity to an otherwise tragic Greek epic **The Lives of Saints** Charles Fell,Richard Challoner,1750 **The Panarion of Ephiphanius of Salamis** Saint Epiphanius (Bishop of Constantia in Cyprus),1987-01-01 The Deseret Weekly ,1892 Embracing Change Joseph F.
