Glücklich durch das Meistern der 12 spirituellen Gesetze des Universums Henning Karcher, 2018-01-18 Henning Karcher arbeitet über 30 Jahre lang für das Entwicklungsprogramm der Vereinten Nationen mit Langzeitaufenthalten in einigen der schwierigsten und einigen der schmerzhaftesten Ländern der Welt: Pakistan, Sudan, Laos, Nordkorea, Nepal und USA. Während er als Leiter von UN-Landesbüros viele in bitterer Armut lebende Familien unterstützt, lassen ihn die großen Fragen des Lebens nie los: Wer sind wir? Warum sind wir hier? Gibt es spirituelle Gesetze, die genauso gelten wie die Gesetze der Physik? Auf seiner eigenen spirituellen Reise als Suchender auf fünf Kontinenten wird ihm bewusst, dass es solche tatsächlich gibt und dass unser Leben durch das Meistern dieser unweigerlich eine Wendung nimmt hin zum Glück. Dabei geht es vor allem um das Finden des inneren Friedens.

Successful Advanced Practice Nurse Role Transition Maria Kidner, 2022-08-04 This book is designed to help APN students and new APNs understand the process of role transition through the exploration of the Concept Analyses for APN Role Transition and Professional Identity. APN role transition from a generalist nurse to a graduate prepared Advanced Practice Nurse APN can be a challenging and emotional as the APN student progresses through graduate education, clinical experiences, and during the first year of APN clinical practice. Precise steps that individuals can take to gain an in-depth understanding of the development of APN professional identity through the personal process of role transition are provided. Role transition is complex; this book provides knowledge and skills on four levels of role transition based on the facilitators and barriers of macro, meso, micro, and personal levels. A critical aspect of role transition is gaining a personal insight of one's identity as person and as professional nurse. Professional identity changes significantly through the graduate education process and first year of clinical practice. This book emphasizes personal introspection and forethought to augment successful APN role transition and personal growth through a series of questions to guide personal thoughts while setting plans for the future as an APN. This unique book allows readers to gain the skills to help them progress through role transition to APN practice through the development of their professional identity by providing activities with journal space within the book. In addition, precise steps for developing a personal role transition plan include a framework to identify personal values, visions, mission, and goal statements. As the reader completes the activities provided throughout the book, they will have a valuable personal resource as they understand their role transition from generalist nurse to the APN role. An enhanced understanding of this role transition will result in a higher degree of success in defining their personal and professional identity. This volume is intended for students in APN programs, new graduates, nurses changing roles where there is role transition, confusion, and APNs seeking to understand their professional identity and/or gain insights into the

multiple facets of the APN role **Better Library Design** Rebecca T. Miller, Barbara A. Genco, 2015-12-28 Few librarians build more than one library in their careers and renovating or building a whole new library is a very expensive investment. Thus new or refurbished structures need to be fresh and up to date. While some librarians have the means to visit exemplary buildings as they develop their own library's master plan, most library leaders and stakeholders won't actually see the full range of potential projects. Hence this unique book is both a resource and a brainstorm prompt. It helps library leaders and key stakeholders surface the ideal programmatic aspects that drive exciting design and offer recent design solutions that have been effectively implemented. *Better Library Design* Ideas from *Library Journal* identifies and celebrates the top trends in library design, capturing current state and provides an authoritative overview for those planning their own projects. This is a colorful, high-content survey of dynamic library building projects completed in the last five years in both public and academic settings. Anchored by *Library Journal*'s New Landmark Libraries competition, here is the nation's best examples of innovative, functional, appealing design, all in glorious full color so you'll be both inspired and informed as you make important design choices. Particular emphasis is placed on the two main concerns facing professors in North America and the UK today: the growing emphasis on the quality of college teaching and more specifically the increasingly demanding nature of the profession whereby lecturers are forced to teach more students on a greater number of courses. Pons' practical advice is supported throughout by research evidence. **Core Values in School Librarianship** Judi Moreillon, 2021-05-11 This title offers pre-service, newly practicing, and seasoned school librarians opportunities for reflection as well as inspiring strategies for enacting four core values of the profession. The school library profession has been in crisis for more than a decade. Educational decision makers have not been made aware of or sold on the core values of school librarianship and its value to students, classroom teachers, administrators, and the entire school community. Budgetary priorities often do not include school librarians, resulting in a lack of funding and the elimination of many positions, which can cause many school librarians to feel vulnerable and afraid. Guideposts are needed to offer today's school librarians a chance to connect or reconnect with their passion for literacy learning and serving that led them to the profession. *Core Values in School Librarianship: Responding with Commitment and Courage* provides preservice, newly practicing, and seasoned school librarians with opportunities for thoughtful reflection alongside inspiring strategies for gathering courage and enacting four core values of the profession. It is an important and visionary book that all school librarians should read as they develop in their role as leaders in their schools.
