Heart of Devotion N.J. Perez,2022-11-03 The following novel is a product of the factual accounts as informed by the actual letters sent by and to soldiers across the world in battles during World War II together with conjecture of probable occurrences and summarized by the truthful outcomes of the most prominent lives involved No matter which side the soldiers fought for their devotion and promise of love and family was the one constant theme enabling them to keep their heads held high amidst the bullets the bombs and the absolute insanity of warfare Their stories are both fascinating and quite troubling at the same time and it is the author s intention to give each one of their lives dignity and honor but above all to highlight the true consequences of a world which refuses to find peace and common ground Some governments and regimes may endure while others fall aEUR but in either case their citizens always pay the very steep and sometimes ultimate price for any conflicts which cannot be resolved without battle

the storm so that its waves are still Psalm 107 29 I've seen Jesus work firsthand in my life and in the lives of others in sickness in death in divorce and in each tempest life throws our way I've often wondered how people make it without a living God who loves them Our storms come into our lives to refine and test us They are for a season even though they feel as if they will never end Remember Peter God told him to walk on water and come to him while rolling waves raged all around them Peter did just that for a short moment but then he took his eyes off of Jesus Remember what happened next Peter began to sink Keep your eyes on Christ today and take him by his hand He will lead you through the storm and safely to shore God is preparing you today for greater things to come He never promised us easy but he does promise to walk with us each step of the way This old cypress tree has weathered many hurricanes in its life but here it's enjoying a gorgeous sunset in calm waters It's still standing because its roots are anchored deep into the soil I pray you are rooted deep in Christ today so you too can weather the storms to come
