Disillusioned and restless, he distracts himself by throwing his energy into a host of new projects, not the least of which is pursuing Val without stopping to consider the future. Jane - Book 6 Come By Chance Mail Order Brides of 1885 Juliet James. A wild and fun Modern Miss a Preacher with a mighty pair of conundrums and an Outlaw turned politician who's out of control. Don't miss the exciting conclusion to the Come By Chance saga. When Jane Waters comes pedaling into town, she cycles slap bang into corruption, catastrophe, and some increasingly curious conundrums, not to mention right on into the heart of the beloved Come By Chance preacher Ernest James Coy. For Jane, a modern late 19th-century woman, marriage is something she must avoid at all costs. Her heart belongs to her calling. For Jane is a writer, and no mere man can be allowed to stand in the way of that. Not even such a good man as the Come By Chance preacher. As for Ernest Coy himself, he sees the new woman in town as the wildest, most dangerous, and wonderful woman he's known. But these are dangerous times, and the preacher must face not just one but two mighty conundrums, conundrums that threaten the future of not just himself, not just Jane Waters, and not just the Come By Chance townsfolk. No, this time the evil Slim Jim Murdoch might well destroy the lives of everyone in Montana Territory, and perhaps in time, even the entire country. A timeless story of the importance of love and respect and the difficult choices good people must make when faced with evil incarnate. The Come By Chance books are jam-packed with gun-totin' adventure, intrigue, and true love, all set in 1880s frontier America. Come By Chance Brides of 1885 Book 1: Opal, The Outlaw, and the Sheriff Who Loved Her. Book 2: Coral, The Widow, and the Man Who Loved Horses. Book 3: Ava, Ina, The Twins.

Cross, 2018-05-04 For American teenagers getting a driver s license has long been a watershed moment separating teens from their childish pasts as they accelerate toward the sweet sweet freedom of their futures With driver s license in hand teens are on the road to buying and driving and maybe even crashing their first car a machine which is home to many a teenage ritual being picked up for a first date parking at a scenic overlook or blasting the radio with a gaggle of friends in tow So important is this car ride into adulthood that automobile culture has become a stand in a shortcut to what millions of Americans remember about their coming of age *Machines of Youth* traces the rise and more recently the fall of car culture among American teens In this book Gary S Cross details how an automobile obsession drove teen peer culture from the 1920s to the 1980s seducing budding adults with privacy freedom mobility and spontaneity Cross shows how the automobile redefined relationships between parents and teenage children becoming a rite of passage producing new courtship rituals and fueling the growth of numerous car subcultures Yet for teenagers today the lure of the automobile as a transition to adulthood is in decline Tinkerers are now sidelined by the advent of digital engine technology and premolded body construction while the attention of teenagers has been captured by iPhones video games and other digital technology And adults have become less tolerant of teens on the road restricting both cruising and access to drivers licenses Cars are certainly not going out of style Cross acknowledges but how upcoming generations use them may be changing He finds that while vibrant enthusiasm for them lives on cars may no longer be at the center of how American youth define themselves But for generations of Americans the modern teen experience was inextricably linked to this particularly American icon
