The Dirty Secrets of the Rich and Powerful

James-Brent Styan, 2024-06-01 In 2018 the world watched as 82 per cent of all wealth created was claimed by the top 1 per cent of the global population The bottom 50 per cent of humanity saw no increase at all While one new billionaire was created every two days one in every four South Africans were living on less than R18 per day not enough to buy a loaf of bread Inequality has always been part of the world we live in but in the past twenty years the situation has worsened We have seen the rise of mega corporations where regional companies have become global players power brokers that are richer and more powerful than most countries This has seen businesses record ever increasing profits while they pay ever decreasing taxes How is this happening In South Africa millions of people depend on the services and products of mega corporations but to what extent do these corporations influence and affect the lives of their consumers What do these companies do with all the power that is in their hands In *The Dirty Secrets of the Rich and Powerful* James Brent Styan casts the spotlight on economic inequality and unpacks historical and ongoing business practices that have a real influence on people today This book takes you right into the corridors of power and behind the closed doors of the boardrooms of the rich and powerful to show you how and why the status quo seems so unfair

Philosophy of Fame and Celebrity Catherine M.

Robb, Alfred Archer, Matthew Dennis, 2024-11-14 In an era of cancel culture digital identities and thriving conversation surrounding parasocial relationships we question today the nature of the celebrity the scope of their power and influence as well as the ethical issues these implicate It is a wonder then that philosophy is a discipline that has as of yet contributed surprisingly little to this debate despite the growing philosophical literature on connected philosophical topics that serve as a starting point for the philosophical inquiry into the nature and value of fame and celebrity For example the literature on the philosophy of admiration achievement skills and talents epistemic authority virtue and moral psychology can all serve to analyse the important questions arise when considering what fame is and the way that it influences the way we live Offering the first introductory overview of the key philosophical issues involved in the nature and value of fame and celebrity this edited collection provides a new perspective and voice to the conversation Divided into four parts its first focuses on conceptual differences between fame and celebrity the experience of being famous how celebrities interact with the public and what motivates people to desire or pursue fame The second part of the volume explores fame and virtue as well as the ways in which ethical issues intertwine with fame concluding with an examination of the nature of fame in relation to

contemporary online culture As digital technologies expand cultural commentators remark that we are all becoming celebrities scrutinized by the public gaze whether we like it or not This book therefore answers a pressing need for if celebrity culture continues to expand and consume our social lives the case for a philosophical reflection on the nature and value of this culture becomes even more necessary Technology and Business Model Innovation: Challenges and Opportunities Bahaaeddin Alareeni, Allam Hamdan, 2024-03-16 This book proceedings addresses a crucial gap in understanding the impact of technology on Business Model Innovation BMI It emphasizes the need for further research to explore the intricate relationship between technology and BMI focusing on opportunities and challenges By delving into how technology influences emerging business model innovations and enhances operational efficiency the publication aims to advance knowledge Inviting diverse research methods it sheds light on various ideas within the technology and BMI realm Tailored for students scholars professionals and policymakers this book contributes to the evolving field of BMI and technology Falsche Vorbilder Alicia Joe, 2022-10-16 Influencer das ist f r eine ganze Generation inzwischen ein ernsthafter Berufswunsch wenn nicht sogar ein Traumberuf Es klingt auch zu verlockend Ein bisschen posieren vor der Kamera ein paar Likes und schon kommen die gut bezahlten Werbekooperationen wie von selbst Sie filmen sich beim Schminken reisen an paradiesische Orte halten sich fit mit Sport und teilen ihre Tipps mit Fans Doch dahinter steckt ein profitorientiertes Business das gro e Begehrlichkeiten und Abh ngigkeiten auf der Seite der Nutzer schafft Kinder werden zu Marionetten der Konsumgesellschaft und auch die Erwachsenen lassen sich zunehmend beeinflussen und verunsichern egal ob es ums Essen ums Reisen oder ums Kinderkriegen geht Influencer manipulieren unser Verhalten und werden von der Jagd nach Klicks und Profit getrieben zu einer echten Meinungsmacht mit dramatischen Folgen f r die Gesellschaft Alicia Joe berichtet aus erster Hand Sie ist eine der erfolgreichsten deutschsprachigen YouTuberinnen und kennt die Social Media Welt nur zu gut Gemeinsam mit der Journalistin Sabine Winkler enttarnt sie die dunklen Seiten der Influencer und legt anhand vieler Beispiele offen wie weit der schlechte Einfluss der Topstars wirklich reicht von Beauty und Travelloggern bis hin zu selbst ernannten Mental Health Coaches Ein wichtiges Buch f r Eltern Lehrer Betreuer und alle die selbst gerne Zeit auf Instagram YouTube TikTok und Co verbringen Selling the Sacred Mara Einstein, Sarah McFarland Taylor, 2024-03-01 There s religion in my marketing There s marketing in my religion Selling the Sacred explores the religio cultural and media implications of a two sided phenomenon marketing religion as a product and marketing products as religion What do various forms of religion marketing collaboration look like in the twenty first century and what does this tell us about American culture and society Social and technological changes rapidly and continuously reframe religious and marketing landscapes Crossfit is a cult Televangelists use psychographics and data marketing QAnon is a religion and big business These are some of the examples highlighted in this collection which engages themes related to capitalist narratives issues related to gender and race and the intersection of religion politics and marketing among other key issues The innovative contributors examine

the phenomenon of selling the sacred providing a better understanding of how marketing tactics married with religious content influence our thinking and everyday lives These scholars bring to light how political economic and ideological agendas infuse the construction and presentation of the sacred via more traditional religious institutions or consumer product marketing By examining religion and marketing broadly this book offers engaging tools to recognize and unpack what gets sold as sacred what s at stake and the consequences A go to resource for those working in marketing studies religious studies and media studies Selling the Sacred is also a must read for religious and marketing professionals

The Uses and Abuses of Weaponized Interdependence Daniel W. Drezner, Henry Farrell, Abraham L. Newman, 2021-03-02 How globalized information networks can be used for strategic advantage Until recently globalization was viewed on balance as an inherently good thing that would benefit people and societies nearly everywhere Now there is growing concern that some countries will use their position in globalized networks to gain undue influence over other societies through their dominance of information and financial networks a concept known as weaponized interdependence In exploring the conditions under which China Russia and the United States might be expected to weaponize control of information and manipulate the global economy the contributors to this volume challenge scholars and practitioners to think differently about foreign economic policy national security and statecraft for the twenty first century The book addresses such questions as What areas of the global economy are most vulnerable to unilateral control of information and financial networks How sustainable is the use of weaponized interdependence What are the possible responses from targeted actors And how sustainable is the open global economy if weaponized interdependence becomes a default tool for managing international relations

Regulating Free Speech in a Digital Age David Bromell, 2022-02-11 Hateful thoughts and words can lead to harmful actions like the March 2019 terrorist attack on mosques in Christchurch New Zealand In free open and democratic societies governments cannot justifiably regulate what citizens think feel believe or value but do have a duty to protect citizens from harmful communication that incites discrimination active hostility and violence Written by a public policy advisor for fellow practitioners in politics and public life this book discusses significant practical and moral challenges regarding internet governance and freedom of speech particularly when responding to content that is legal but harmful Policy makers and professionals working for governmental institutions need to strike a fair balance between protecting from harm and preserving the right to freedom of expression And because merely passing laws does not solve complex social problems governments need to invest not just regulate Governments big tech and the private sector civil society individual citizens and the fourth estate all have roles to play and counter speech is everyone s responsibility This book tackles hard questions about internet governance hate speech cancel culture and the loss of civility and illustrates principled pragmatism applied to perplexing policy problems Furthermore it presents counter speech strategies as alternatives and complements to censorship and criminalisation

Tiktok This Month Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tiktok This Month has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tiktok This Month has opened up a world of possibilities. Downloading Tiktok This Month provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tiktok This Month has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tiktok This Month. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tiktok This Month. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tiktok This Month, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tiktok This Month has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
