The Deadline Effect Christopher Cox, 2021-07-08 I love deadlines I like the whooshing sound they make as they fly by So said author Douglas Adams but what if there was a way of making deadlines work for you and using them to ensure others provide you with what you want when you want it In Christopher Cox's brilliant new book he looks at the impact deadlines have on us and how we can use them to deliver the best results for all parties Social scientists have revealed that most negotiations run right up to the deadline before a deal is finally struck What they also discovered was that this deadline effect usually results in a worse deal for both parties Cox shows you how instead the deadline effect can be used to bring about success not failure The truth is that most of us think of deadlines all wrong They aren't immutable laws of nature they are a game we can play and win This book will show you the strategies different workplaces have come up with to do just that They are the businesses and individuals who are rehabilitating the deadline effect taking the urgency it provides and jettisoning all the down to the wire nonsense Based on his own experience as a magazine commissioning editor where coaxing writers to deliver on time is an art form he also embeds himself in other businesses such as a ski patrol ahead of the first day of the winter season to see how they meet deadlines that cannot be missed Above all this book is an argument to embrace the power of deadlines When time is limited people are less wasteful more focused productive and creative It's a liberating realisation excellence and timeliness are not at odds and the deadline effect can be highly effective

American Big Business in Britain and Germany Volker R. Berghahn,2014-05-04 While America s relationship with Britain has often been deemed unique especially during the two world wars when Germany was a common enemy the American business sector actually had a greater affinity with Germany for most of the twentieth century *American Big Business in Britain and Germany* examines the triangular relationship between the American British and German business communities and how the special relationship that Britain believed it had with the United States was supplanted by one between America and Germany Volker Berghahn begins with the pre 1914 period and moves through the 1920s when American investments supported German reconstruction rather than British industry The Nazi seizure of power in 1933 led to a reversal in German American relations forcing American corporations to consider cutting their losses or collaborating with a regime that was inexorably moving toward war Although Britain hoped that the wartime economic alliance with the United States would continue after World War II the American business community reconnected with West Germany to rebuild Europe s economy And while Britain thought they had established their special relationship with America once again in the 1980s and 90s in actuality it was the Germans who with American help had acquired an informal economic empire on the European continent *American Big Business in Britain and Germany*

uncovers the surprising and differing relationships of the American business community with two major European trading partners from 1900 through the twentieth century *Real Life, Real Budget* Axel Inman, 2024-10-21 *Real Life Real Budget A Normal Person's Guide to Thriving in Expensive Times* In today's world where prices are skyrocketing and every penny matters can you afford not to take control of your finances *Real Life Real Budget* is your essential guide to surviving and thriving during expensive times This isn't just another budgeting book it's the survival manual you didn't know you needed Written for real people with real challenges this book gives you practical no nonsense strategies to cut costs boost your savings and break free from financial stress Whether you're battling rising grocery prices skyrocketing energy bills or juggling debt this guide shows you how to live well on less without sacrificing your lifestyle If you're tired of feeling like your finances are slipping out of control *Real Life Real Budget* offers the tools you need to fight back Learn how to budget like a pro slash unnecessary expenses and build a financial safety net that will see you through even the toughest times This is more than just a book it's the key to reclaiming your financial freedom Start today because the sooner you take action the sooner you can thrive

Possible Anticompetitive Effects of Sale of Network TV Advertising United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust and Monopoly, 1966 [The Modern Couple's Money Guide](#) Lesley-Anne Scorgie, 2016-04-30 Drawing on her personal and professional experience financial analyst and public speaker Lesley Anne Scorgie presents the perfect map for young couples setting out on the road to a joint financial future With advice about saving investing and relationship building the book lays out everything couples need to know to become a financial team

Disobedient God Albert Tate, 2023-04-25 In this powerful guidebook the lead pastor of Fellowship Church demonstrates how the moments that test our faith are the moments God uses to direct our hearts to the one thing we truly desire most a relationship with Christ When the people of Israel those who had witnessed the most abundant and inexplicable acts of God grew tired of waiting for Moses to come off the mountain they made a calf of gold It was easier for them to make a new god than to continue serving a God that didn't conform to their schedule and expectations Just like the Israelites in the desert we are all fundamentally longing for God but who and what are we actually reaching for and serving Disobedient God addresses the things we do when we feel ignored inconvenienced and frustrated by God What things are we reaching for in our life Are we reaching for porn when we long for intimacy Reaching for success when we long for security We would never say that we have replaced God but our actions tell a different story Whether we are trying to replace God trying to run away or trying to perform for Him we have no mindset to deal with a disobedient God Disobedient God is a book for people dealing with this disappointment and interested in properly understanding and loving the God they've misunderstood This is not a step by step instruction manual for how to react when

things are difficult rather it is a way of understanding God that leads people to discover the relationship with God that they were always meant for

Launch (Updated & Expanded Edition) Jeff Walker, 2021-07-27 From the creator of Product Launch Formula A new edition of the 1 New York Times best selling guide that s redefined online marketing and helped countless entrepreneurs make millions What Jeff Walker teaches in LAUNCH is vital for modern marketing success You don t need more tactics or tools you need smart strategy and that s exactly what this book delivers Marie Forleo 1 New York Times best selling author of Everything Is Figureoutable The revised and updated edition of the 1 New York Times bestseller Launch will build your business fast Whether you ve already got an online business or you re itching to start one this is a recipe for getting more traction and a fast start Think about it What if you could launch like Apple or the big Hollywood studios What if your prospects eagerly counted down the days until they could buy your product And you could do it no matter how humble your business or budget Since 1996 Jeff Walker has been creating hugely successful online launches After bootstrapping his first Internet business from his basement he quickly developed a process for launching new products and businesses with unprecedented success And once he started teaching his formula to other entrepreneurs the results were simply breathtaking Tiny home based businesses started doing launches that brought in tens of thousands hundreds of thousands and even millions of dollars Whether you have an existing business or you re starting from scratch this is how you start fast This formula is how you engineer massive success Now the question is this Do you want to start slow and fade away from there Or are you ready for a launch that will change the future of your business and your life
