Rock Marc Skelton, 2019-03-12 Welcome to Fannie Lou Hamer Freedom High School in a working class corner of the Bronx where a driven coach inspires his teams to win games and championships and learn Russian history and graduate and go on to college In 2006 the Fannie Lou Hamer Panthers basketball team was 0-18 Since 2007 the year Marc Skelton a New Hampshire native took over as head coach the Panthers record has been 228-68 and they've won three Public School Athletic League championships and one statewide championship This tiny 400 student school has become a powerhouse on the basketball court as well as a public education success story and a symbol of the regeneration of its once blighted neighborhood In *Pounding the Rock* Marc Skelton tells the thrilling story of the 2016-2017 season as the Panthers seek to redeem an early exit from the playoffs the year before But this is far more than a basketball story It's a profile of a school that against the odds educates kids from the poorest congressional district in the country and sends the majority of them to college of an unusual coach who studies the game with Talmudic intensity demands as much of himself as he does of his players a lot and finds inspiration as much from Melville Gogol and Jacob Riis as from John Wooden and of a squad of young men who battle against difficulties in life every day and who don't know how to quit In a world of all too many downers *Pounding the Rock* is one big up on the court and off All fans of basketball and of life will rise up and applaud **Focus On:**

two years of playing professionally Finch returned to the sidelines as a coach and would eventually become the head coach of the Memphis State Tigers Wood deftly weaves together basketball and Memphis's fraught race relations during the post civil rights era While many Memphians viewed the 1973 Tigers championship run as representative of racial progress Memphis as a whole continued to be deeply divided on other issues of race and civil rights And while Finch was championed as a symbol of the healing power of basketball that helped counteract the city's turbulence many black players and coaches would discover that even its sports mirrored Memphis's racial divide Today as another native son of Memphis Penny Hardaway has taken the reigns of the University of Memphis's basketball program Wood reflects on the question of progress in the city that saw King's assassination little more than forty years ago In this important examination of sports and civil rights history Wood summons social memory from an all too recent past to present the untold and unfinished story of basketball in the Bluff City
