James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today's best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA's ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA's global reach [Elgar Concise Encyclopedia of Sports Law](#) Björn Hessert, Chui Ling Goh, Jack Anderson, 2025-10-07 This Concise Encyclopedia provides a definitive and comprehensive overview of the emerging field of sports law Entries identify the core principles relevant regulatory basis and seminal jurisprudence of each topic [Dictating the Agenda](#) Alexander Cooley, Alexander Dukalskis, 2025-06-02 This is a story not just of the limits of liberal influence across the world but of how authoritarian governments came to dictate the global agenda by repurposing the very actors tools and norms that once afforded US backed liberalism such global prominence Following the end of the Cold War the world experienced a remarkable wave of democratization Over the next two decades numerous authoritarian regimes transitioned to democracies and it seemed that authoritarianism as a political model was fading But as recent events have shown things have clearly changed In Dictating the Agenda authors Alexander Cooley and Alexander Dukalskis reveal how today's authoritarian states are actively countering liberal ideas and advocacy surrounding human rights and democracy across various global governance domains The transformed global context has unlocked for authoritarian states the possibility to contend with Western liberal soft power in new traditionally non political ways including by plugging or even reversing the very channels of influence that originally spread liberalism Cooley and Dukalskis ultimately advance a theory of authoritarian snapback the process in which non democratic states limit the transnational resonance of liberal ideas at home and advance anti liberal norms and ideas into the global public sphere Drawing from a range of evidence including field work interviews and comparative case studies that demonstrate the changing nature of consumer boycotts a database of authoritarian government administrative actions against foreign journalists a database of global content sharing agreement involving Chinese and Russian state media and a database of transnational higher education partnerships involving authoritarian and democratic countries this book doesn't just reveal the limits of the liberal influence taken for granted across the world It offers a novel theory of how authoritarian governments figured out how to exploit and repurpose the same actors tools and norms that once exclusively promoted and sustained US backed liberalism

I Love Being the Enemy Reggie Miller, 1999-04 Reggie Miller on the New York Knicks I'm telling you right now I hate the Knicks Absolutely hate those kids Face it The Knicks are dirty players Let me take the back They're not dirty players but

when things aren't going New York's way they're going to do whatever it takes to win. And if that means hurting someone then they'll do it. I'm not going to say that's dirty but sometimes they take it to the extreme. On the mental side of the game. Everybody in the NBA knows how to play basketball or else they wouldn't be there. But what separates the good players from the great players is their mental capacity not only to overcome their opponent but to get through the tough spots. I always feel mentally stronger than any opponent. I step on the same floor with him. He might have more talent than I do but I don't think anybody is mentally stronger than me. I'll match wills with anybody. On determination. On Cheryl Miller. Cheryl, I got 39. Reggie that's great. Yeah, so how'd you do? Uh, I got 105. Thing was Cheryl didn't say it to be mean. But damn 105 points in one game. But I got my revenge a few years later. We got out to the court and she said, "Your ball." I told her she could have it first. So she kind of crouched down, made her usual strong first move, got right past me and put up the shot. Cheryl paused for a moment and then said in a real serious tone, "We're going to play Horseshoes."
