New Wine A Biblical Approach To Substance Abuse:

New Wine: A Biblical Approach to Substance Abuse Michael Cleve, Jeff Perry, Mike Cleveland, 2014-04-07 Freedom from the abuse of drugs and alcohol can be a reality in the life of anyone who will apply biblical principles to their life New Wine is a 60 Day interactive course that will help you drink deeply of the New Wine that satisfies the heart and thereby find freedom from drinking and drugs The Spirituality of Wine Gisela H. Kreglinger ,2016 Wine serves an important role both in Scripture and in the Christian church but its significance has received relatively little theological attention in modern times This book fills that gap Viewing wine as a gift of God s created bounty and as a special symbol used pervasively throughout Scripture Kreglinger canvasses the history of wine in the church particularly its use in the Lord s Supper discusses the fascinating process of winemaking and considers both the health benefits of wine and the dangers of alcohol abuse Offering a vision of the Christian life that sees God in all things including the work of a vintner and the enjoyment of a well crafted glass of wine *Why True Biblical Creationists Believe That Jesus Did Not Make Alcohol!* Leighton Campbell, 2008-07 This book shows that the account of Creation given to us by God in the Book of Genesis simply does not allow anyone claiming to be a Biblical Creationist in the true sense of the word to accept that our Lord could have made wine that consisted of alcohol This study reveals that there are parallels that can be drawn from the almost universal acceptance of the evolutionary or semi evolutionary world view by many Christians that it took God millions of years to Create everything instead of 6 literal 24 hour days to their world view adopted from unbelievers that when the Bible speaks of wine it is always of the alcoholic nature Instead it shows us that contrary to the views of many Christians and indeed unbelievers the notion that good wine has to be fermented or alcoholic is indeed erroneous and evolutionary in concept Using the clear literal truths established in the Creation account as its foundation this material unequivocally declares that the wine that Jesus made from water was in fact pure unfermented grape juice Leighton Campbell is a member of a Fundamental Evangelical Pentecostal Church He has served in youth ministries and evangelism He is currently active in the teaching ministry He is married to Jennifer and they have three children Philemon in Perspective D. Francois Tolmie, 2010-06-29 This book is dedicated entirely to the interpretation of Paul s Letter to Philemon The letter is approached from a wide variety of perspectives thus yielding several new insights into its interpretation In a first essay the tendencies in the research on the letter since 1980 are outlined This is followed by essays devoted to the epistolary analysis and to a rhetorical psychological interpretation of the letter as well as an essay devoted to the rhetorical function of stylistic form in the letter After this there are two essays devoted to situating the letter in its ancient context one views the letter against the background of ancient legal and documentary sources and another one against the background of slavery in early Christianity The next two essays focus on theological aspects namely on the letter as ethical counterpart of Paul s doctrine of justification and on the role that love plays in the letter Three essays focus on ideological issues the contextual interpretation of the letter in the US a post colonial

reading of the letter and the letter's legacy of hierarchy and obedience The volume concludes with four essays on the way in which the letter was interpreted by some of the Church Fathers Origen Jerome Chrysostom Augustine and Theodore of Mopsuestia **Issues in Contemporary Pentecostalism** R. Keith Whitt, and French L. Arrington, Editors, 2012-09-19

Addiction and the Captive Will Cynthia Geppert, 2024-05-30 Twenty first century neuroscience has discovered that in some severe cases addiction may so constrain human freedom that the will is only able to choose to use substances of abuse At this advanced stage substance use has become the primary driver of salience co-opting and subsuming other moral priorities and human rewards Scholars have investigated Aristotle's concept of akrasia as an ancient mirror of this understanding and there have been some preliminary discussions of Augustine's concept of the divided will as it bears on addiction No detailed and comprehensive exploration of the work of Augustine has yet been undertaken as it relates to three contemporary models of addiction the choice learning and brain disease models Augustine's psychological awareness his mastery of ancient theological and philosophical thinking and his enormous and enduring influence on both Catholic and Protestant theology make him an ideal subject for such research This incisive book argues that Augustine's doctrine of the captive will offers a theological parallel of each of these contemporary models of addiction

SAMHSA News, 1995 **The Mountains Shall Drip Sweet Wine** John Anthony Dunne, 2025-10-07 What does the Bible say about alcohol Evangelical Christianity has a complicated relationship with alcohol For years many believers have welcomed it as a gift from God while others have rejected it as a definite Spirit quenching sin But what does the Bible

actually say about alcohol and its use Alcohol is a pervasive theme throughout the Bible In *The Mountains Shall Drip Sweet Wine* John Anthony Dunne offers an exhaustive exploration of the references to alcohol and its related imagery within the Old and New Testaments His biblical theological approach allows for the nuance of the genres and historical periods of the Bible to shed light on how we are to approach the topic In his thorough account Dunne argue that the symbolism of wine and other fermented drinks in the Bible is multifaceted and complex as a good vintage itself would be We must be attuned to the various ways in which biblical authors deploy this motif dripping with theological symbolism when they speak of creation covenant kingdom wise decision making and more The Bible s kingdom oriented imagery communicates a call for wisdom in the everyday life of the Christian disciple with an overarching vision that what Christians think about alcohol regardless of position has significant impact on community life
