Did Jesus Christ Exist? John Ostrowick,2013-05-30 There is a significant movement on Internet at present heavily supported by the New Atheist movement which denies that Jesus Christ ever existed Some of the claims that are made most notoriously in the first Zeitgeist movie are demonstrably false In this book John Ostrowick explores the academic mythological textual archaeological scientific and probabilistic arguments for the existence of Jesus Christ This book argues that although the evidence for Christ is slim at best he nonetheless remains the simplest hypothesis to explain the particularly detailed story that we hear in the New Testament Gospels Although we only have one apparently original document referring to Jesus the book of Mark it is still simplest to assume he existed even if he was merely a man and only did some of the things described in the New Testament

Big Book of Christian Apologetics Norman L. Geisler, 2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith. Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments, all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics. An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler's seminal work to the masses. Putting Jesus in His Place Robert M. Bowman, Jr. Ed Komoszewski, Putting Jesus in His Place is designed to introduce Christians to the wealth of biblical teaching on the deity of Christ and give them the confidence to share the truth about Jesus with others. Patrick Navas, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr. James R. White, author of The Forgotten Trinity, John MacArthur, President of The Master's Seminary, Wayne Grudem, author of the widely read Systematic Theology, Robert Bowman Jr., author of Why You Should Believe in the Trinity, Robert Morey, Founder of California Biblical University and Seminary, and author of The Trinity Evidence and Issues, R. C. Sproul, President of Ligonier Ministries, Robert L. Reymond, author of Jesus, Divine Messiah, and A New Systematic Theology of the Christian Faith, and others. According to what has long been considered mainstream Christian orthodoxy, the doctrine of the Trinity, the idea that the one true God is, in the ultimate sense, a divine being made up of three co-equal and co-eternal persons, is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved. Such a demand on a Christian's faith has come across as strange and perplexing to many, especially so in light of the fact pointed out by one respected Trinitarian. The Trinity is not clearly or explicitly taught anywhere in Scripture, yet it is widely regarded as a central doctrine indispensable to the Christian faith. In this regard, it goes contrary to what is virtually an axiom: that is, a given, a self-evident truth of biblical doctrine, namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church. Millard J. Erickson, God in Three Persons, p. 11. Emphasis added. Understandably, this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century. Many Christians have wondered, How can a doctrine that is no **Did the Bible Really Come from God?** Billy Crone, 2018-05-15 Many people today are quick to spout off bold claims that there is no way in which it can be said that the Bible really did come from God. In fact, they even imply that anyone who believes this is acting like a person who is mentally inept. However, it is the skeptic whose mental capacities need to be challenged because they refuse to look at the evidence that clearly reveals how the Bible really did come from God. Therefore, this book, Did the Bible Really Come from God, shares the 10 lines of solid logical evidence that proves how the Bible really did come from God and is unlike any other book.

on the planet As you will see in this book there is overwhelming evidence showing how there really is no need to question Did the Bible Really Come from God let alone cave into the false claims of the critic Contrary to what society would say yes we can know for sure Christian that what we hold in our hands is indeed the Genuine Word of God **Retrieving Apologetics** Glenn B. Siniscalchi, 2016-01-07 Given the popes recent statements of their desires to implement the New Evangelization it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics For the New Evangelization places particular emphasis on repropounding the Gospel to those who have experienced a crisis of faith due to secularization One salient method of Catholic apologetics used to be characterized by three demonstrations each of which assumes the conclusions established in the previous step s Some might think that this classical method of apologetics has been abandoned in the postconciliar Church but Siniscalchi s book updates it Unlike the classical apologetics of the preconciliar era Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy history biblical studies sociology and theology to develop the steps that are necessary for showing the reasonableness of faith

understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
