New Venture Creation A Framework For Entrepreneurial Start Ups:

New Venture Creation Paul Burns, 2024-01-25 Centred around the author's New Venture Creation framework this engaging textbook guides students through the process of launching and developing a start up. The book provides advice from successful entrepreneurs, real life case studies and a digital workbook to record thoughts and develop business ideas.

New Venture Creation Paul Burns, 2023-12-30 Structured around the author's tried and tested New Venture Creation framework, this textbook encourages practical learning enabling you to launch and develop your business. Broken down into three phases: Research, Business model development, Launch, the book provides a systematic approach which tells you everything you need to know and most importantly everything you need to do to start a new venture. You will learn how organisations and entrepreneurs address issues via real life case insights and quotes while fictional case studies are presented to explore how you might choose ways forward in your entrepreneurial journey. The popular and effective Workbook which enables you to work through your thoughts and ideas on business development and construct a profile of your new venture is now presented in a digital format. A new Digital links booklet directs to company websites and interviews with entrepreneurs and these resources are designed so that they can be used concurrently with the book. This edition includes new material on the importance of anticipating new challenges and the need for re-strategizing and building resilience while sustainability and diversity have been foregrounded in a re-examination of the case studies. **New Venture Creation** is the essential textbook for preparing for real life entrepreneurial experience, accessible, practical and grounded in academic insight.

Corporate Entrepreneurship and Innovation Paul Burns, 2025-04-24 It is insufficient for businesses to grow simply by cutting costs and acquiring competitors. To achieve true success, organisations must bring innovative ideas to market and avoid an ageing product or service portfolio. In this textbook, author Paul Burns draws on decades of academic and entrepreneurial experience to guide students through the four pillars of his original entrepreneurial architecture: framework, organizational culture, structures and controls, leadership and management, and strategies and tactics, laying out the ways in which each business function is required to adapt to ensure success. The 5th edition includes over 75 global case insights including coverage of companies from DeepMind to Solarbrella, Patagonia to Samsung, demonstrating the practicalities of corporate entrepreneurship in the real world. New content on the fallout of COVID-19, AI digitalisation and climate change to prepare students for the ever-changing global business world of today. The Explore Further feature containing links to video, animations, talks by leading academics and practitioners, psychometric tests and websites providing step-off points to deepen learning. This is a must-read for students of corporate entrepreneurship, intrapreneurship or corporate venturing at upper undergraduate, postgraduate or MBA level. The book is also essential reading for courses on Strategic Entrepreneurship and Innovation.
