Public Relations Jacquie L'Etang, 2007-11-21 An excellent text for encouraging students to think critically about key public relations issues. A refreshing read that is consistently inventive enough to attain both aims. David McKie, Waikato Management School. At long last fills a void in the landscape of text books on public relations theory and practice. It develops critical thinking skills while exposing interdisciplinary approaches and providing a very solid foundation for lively debate and further study. Julia Jahansoozi, University of Central Lancashire. This book introduces students to the key concepts in Public Relations with 12 chapters providing clear and careful explanations of concepts such as Reputation Risk, Impression management, Celebrity Ethics, Persuasion and propaganda, Emotional and spiritual dimensions of management, Promotional culture and globalization. Drawing on a wide range of interdisciplinary sources, Jacquie L'Etang also encourages students to think critically about public relations as an occupation.
