

Imagine...

You and Niall had been friends for as long as you could remember and you loved him for just as long. People always said that he loved you too, but he always denied it. Finally, you got tired of waiting around and you were going to date someone else. You decided to break the news to Niall and as soon as you did you could tell that he was upset. "I'm so stupid.." He mumbled, you disagreed but he just shook his head "I should have done this a long time ago" before you could ask what his lips were against yours. He pulled away slightly "I've always loved you.. I've just been too scared to admit it, Princess"
