Nice Book Blueberry Boys Vanessa North:

Blueberry Boys Vanessa North, 2018 Love is coming into season Connor Graham is a city boy a celebrated fashion photographer in New York When his uncle's death drags him back to the family blueberry farm all he wants to do is sell it as quickly as he can Until he meets his uncle's tenant farmer Jed Jones shy and stammering devout and dedicated has always yearned for land of his own and a man to share it with Kept in the closet by his church family and disastrous first love he longs to be accepted for who he is But now with his farm and his future in Connor's careless hands he stands to lose even the little he has Neither man expects the connection between them Jed sees Connor appreciates his art and passion like no one else in this godforsaken town ever has Connor hears Jed looks past his stutter to listen to the man inside The time they share is idyllic but with the farm sale pending even their sanctuary is a source of tension As work family and their town's old fashioned attitudes pull them apart they must find a way to reconcile commitments to their careers and to each other
