Nice Book Jesus Storyteller Stephen I Wright:

Jesus the Storyteller Stephen Wright, 2014-05-15 If you are thinking What another book on the parables then think again Here s a single volume that judiciously surveys parables research sketches the significance of Jesus parables for each of the synoptic Gospels analyzes the importance of the parables for understanding Jesus ministry and discusses how these parables would have been heard in their own contexts all of this in readable prose that is fully conversant with scholarly discussion without bogging us down in that discussion It is hard to imagine a better introduction to Jesus parables than Stephen Wright s new book but it also makes a welcome contribution with its emphases on story and narrative Joel B Green Professor of New Testament Interpretation Fuller Theological Seminary Matthew's Parable of the Royal Wedding Feast Ruth Christa Mathieson, 2023-06-02 Ruth Christa Mathieson s unique reading of Matthew s parable of the royal wedding feast Matt 22 1 14 which concludes with the king s demand that one of the guests be bound and cast out into the outer darkness focuses on the means of the underdressed guest s expulsion Using sociorhetorical interpretation Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet 1 Enoch Tobit and the protocol for expelling individuals from the community in Matt 18 She asserts that readers are invited to consider if the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained Anders als geglaubt - Mit Christus vor Augen Dekonstruktion verstehen Preston Ulmer, 2024-02-01 In der aktuellen Zeit erleben viele Gemeinden dass die grundlegenden Fundamente des Glaubens in Frage gestellt dekonstruiert werden und das auch noch fffentlich Mit einher geht die Angst den Glauben zu verlieren wenn wir uns mit gewissen Vorbehalten von Christen auseinandersetzen Doch dieses Buch macht deutlich dass Jesus selbst ein Dekonstruierender war Er hat die starren Bilder von Gott der Bibel und dem Miteinander hinterfragt und hat es erm glicht dass die Menschen Gott n herkommen konnten Wollen wir uns von dem der die Wahrheit ist einladen lassen in Bewegung zu bleiben und den Weg zur Quelle immer wieder neu zu finden **Deconstruct Faith, Discover Jesus** Preston Ulmer, 2023-06-06 What If Deconstructing Your Faith Isn t a Phase but a Holy Process There s probably a really good reason you picked up this book Are you desperate to be in relationship with family or friends who are questioning their faith Are you experiencing your own deconstruction of faith Here is your invitation to rethink everything you thought you knew In this process you ll learn why it s important to deconstruct and how we are wired to do it define deconstruction and deconversion what they really mean consider WWJD What Would Jesus Deconstruct and apply the FUSE method to deconstruct for yourself Deconstruct Faith Discover Jesus will help you to enter the mindset of a deconstructionist A worldview with a high capacity for paradoxes A mental space that outweighs your self interest in being right A tendency to see Christian beliefs as inseparable from Christian ethics In doing so you will find the original deconstructionist Jesus right beside you *Stories with Intent* Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies *Stories with Intent* offers pastors and students a

comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book s original 2008 publication Encountering the Parables in Contexts Old and New T. E. Goud,J.R.C. Cousland,John P. Harrison,2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts Performing Early Christian Literature Kelly Iverson,2021-10-07 Scholars of early Christian literature acknowledge that oral traditions lie behind the New Testament gospels While the concept of orality is widely accepted it has not resulted in a corresponding effort to understand the reception of the gospels within their oral milieu In this book Kelly Iverson reconsiders the experiential context in which early Christian literature was received and interpreted He argues that reading and performance are distinguishable media events and significantly that they produce distinctive interpretive experiences for readers and audiences alike Iverson marshals an array of methodological perspectives demonstrating how performance generates a unique experiential context that shapes and informs the interpretive process Iverson s study explores the dynamic oral environment in which ancient audiences experienced the gospel stories He shows why an understanding of oral performance has important implications for the study of the NT as well as for several issues that are largely unquestioned by biblical scholars *The Storyteller's Secret* Carmine Gallo,2016-02-23 How did a Venice Beach T shirt vendor become television s most successful producer How did an entrepreneur who started in a garage create the most iconic product launches in business history How did a timid pastor s son overcome a paralyzing fear of public speaking to captivate sold out crowds at Yankee Stadium twice How did a human rights attorney earn TED s longest standing ovation and how did a Facebook executive launch a movement to encourage millions of women to lean in They told brilliant stories In *The Storyteller s Secret* From TED Speakers to Business Legends Why Some Ideas Catch on and Others Don t keynote speaker

Moon, 2018-03-27 Dallas Willard was a personal mentor and inspiration to hundreds of pastors philosophers and average churchgoers In Gary W Moon s candid and inspiring biography we read about the development of Willard s personal character philosophical writing and spiritual teaching and how he has inspired some of the most influential books on spirituality of the last generation **The Lost Kings** Stephen Moser, 2024-08-07 The Lost Kings covers the period 16th 24th April 2021 It is a work of fiction based on a re interpretation of historical facts relating to the Royal Blood of the descendants of Jesus known over the centuries as the sang real Holy Grail So in a sense it is a work of current historical fiction non fiction spanning two millenia It opens with the immediate aftermath of the crucifixion of Jesus the direct descendant of King David and therefore the legitimate pretender to the throne of Israel as well as a Prophet of God The book finishes with the installation of his direct descendant as Pope Jesus II who after the passage of two millenia finally brings together the temporal and religious succession to both King David and Jesus Our hero is David Whitecastle He like Ian Fleming and his creation James Bond had a Scottish father and Swiss mother attended Fettes College in Edinburgh and was in a special unit of the armed forces David is an Oxbridge graduate who joined Jardine Matheson the Princely Hong immortalised both by its history as the most powerful foreign trading house in Asia and more recently through the novels of the late James Clavel whom I got to know and who initiated me into the dark art of story telling Through David the reader meets the larger than life but enigmatic Monseigneur Sobieski as well as the delightful Anna who turns out to be much more than just pleasing on the eye The cast includes the 82 year old Madame Fatin who longs to share a secret which has eluded even the most ardent seekers of the hidden truths of Rennes le Chateau Through her we meet the dyed in the wool but confused SS colonel whose uncle Adolf Hitler has entrusted him with a family lineage quest of his own She also reveals the secret identity and story of Marie who fathered twin sons whose offspring have the most legitimate claim to the throne of the Lost Kings Then our journey takes us to the corridors of power in Paris and Vienna which have consistently sought out adopted and used for their own ends the current representatives of the ancient bloodline of David The book begins with an apparently open and shut homicide in the Vatican But as the story unfolds it takes the

reader on a truly secret and magical whirlwind tour of history the world and Mankind itself embracing the ancient Jewish Kingdom of Septimanie in southern France as well as the Visigoth Merovingian Carolingian and Habsburg dynasties It is also a truly inside look at the machinations from its inception of the Church of Rome and its rival factions through the eyes of some of the key people who have shaped European and world history politics and religion It transpires that there are two living descendants of the original undiluted bloodline whose existence has not been revealed even to those who considered themselves its custodians and protectors over the centuries The story culminates in a papal election where the two main contenders are unbeknownst to themselves the progeny of twin brothers and the current claimants to the most legitimate bloodline of the House of David The book finishes on an upbeat note It seems that the winds of change may finally be beginning to blow away the ancient cobwebs which over the centuries have blighted even the most high minded of religious leaders and organisations and so in turn failed to fulfil what the average person expects and needs from them The book is intended to give readers a new refreshing but provocative interpretation of the evolution of our culture and civilisation and in the process stimulate the little grey cells and encourage each one of us to critically and conscientiously re appraise some of the supposedly self evident truths which we have taken for granted It is my hope that this will lead to greater awareness and understanding of ourselves and our place in things I also hope that this cocktail of light hearted banter unexpected love adventure mystery deceit and epicurean delights will also allow the reader to have fun in the process

Charles, 2002-01-01 Brian Blount and Gary Charles team up to introduce us anew to Mark's Gospel Reinterpreting Mark through sermons preached out of very different socio cultural contexts Blount draws parallels between Mark's message and the African American church's heritage of slavery and oppression while Charles wrestles with making the Gospel relevant to well educated white suburbanites Each chapter begins with an exegetical study and sermon by one author Then the other preacher responds from his own context offering a different view of the text
