Nice And Ezey In Slavery Time:

The WPA Oklahoma Slave Narratives T. Lindsay Baker, Julie Philips Baker, 1996 I never talk to nobody bout this was the response of one aged African American when asked by a Works Project Administration field worker to share memories of his life in slavery and after emancipation He and other ex slaves were uncomfortable with the memories of a time when black and white lives were interwoven through human bondage Yet the WPA field workers overcame the old people's reticence and American West scholars T Lindsay Baker and Julie P Baker have collected all the known WPA Oklahoma slave narratives in this volume for the first time including fourteen never published before Their careful editorial notes detail what is known about the interviewers and the process of preparing the narratives *The Testimonies of Slaves Work Projects Administration*, 2023-11-15 The Testimonies of Slaves a landmark contribution from the Work Projects Administration WPA compiles firsthand accounts of African American slaves illuminating the complexities of their lives and experiences This profound collection features a rich tapestry of narratives that reflect a multitude of voices providing a window into the psychological and social dimensions of slavery The literary style is marked by a raw authenticity that is both haunting and poignant resonating with the emotional weight of individual testimonies Set against the backdrop of the Great Depression this work serves to document an often overlooked aspect of American history offering a critical commentary on the legacy of slavery and its enduring impacts on contemporary society The Work Projects Administration established during President Franklin D Roosevelt's New Deal aimed to provide jobs and preserve cultural heritage The compilation of these testimonies was driven by a desire to capture the truths of enslaved lives as many of the witnesses and narrators were aging and fading into memory This concerted effort reflects a broader cultural movement during the 1930s to recognize and reclaim African American history emphasizing the importance of primary sources in understanding complex historical realities I highly recommend The Testimonies of Slaves to scholars students and anyone interested in American history social justice or African American literature By providing a platform for marginalized voices this work not only educates but also urges critical reflection on the narratives that shape our understanding of the past Engaging with this collection will deepen your appreciation for the resilience of the human spirit amidst the trials of oppression *The World's Great Classics: Democracy in America*, by A. de Tocqueville Timothy Dwight, Julian Hawthorne, 1899 Library Committee Timothy Dwight Richard Henry Stoddard Arthur Richmond Marsh A B and others Illustrated with nearly two hundred photogravures etchings colored plates and full page portraits of great authors Clarence Cook art editor **Good Words and Sunday Magazine**, 1887 An Advanced History of England from the Earliest Times to the Present Day, with Maps and Plans Cyril Ransome, 1899 *An Advanced History of England from the Earliest Times to the Present Day* Cyril Ransome, 1896 **The British Friend**, 1883 **The Lamp [ed. by T.E.
