Nice Book Ashgate Research Companion Geographies Sexualities:

The SAGE Handbook of Global Sexualities Zowie Davy, Ana Cristina Santos, Chiara Bertone, Ryan Thoreson, Saskia E. Wieringa, 2020-05-11 The Handbook offers a robust theoretical underpinning and critical outlook on current global glocal and new sexualities and practices whilst offering an extensive reflection on current challenges and future directions of the field

Lesbian Geographies Kath Browne, Eduarda Ferreira, 2016-03-03 It has long been recognised that the spatialisation of sexual lives is always gendered Sexism and male dominance are a pervasive reality and lesbian issues are rarely afforded the same prominence as gay issues Thus lesbian geographies continue to be a salient axis of difference challenging the conflation of lesbians and gay men as well as the trope that homonormativity affects lesbians and gay men in the same ways This volume explores lesbian geographies in diverse geographical social and cultural contexts and presents new approaches using English as a working language but not as a cultural framework Going beyond the dominant trace of Anglo American perspectives of research in sexualities this book presents research in a wide range of countries including Australia Argentina Israel Canada USA Russia Poland Spain Hungary and Mexico

Religion and Sexualities Sarah-Jane Page, Heather Shipley, 2020-05-05 This book examines key themes and concepts pertaining to religious and sexual identities and expressions mapping theoretical methodological and empirical dimensions It explores the ways in which debates around sexuality and religion have been framed and what research is still needed to expand the field as it develops Through the deployment of contemporary research including data from the authors own projects Religion and Sexualities offers an encompassing account of the sociology of sexuality and religion considering theoretical and methodological lenses queer experiences and how sexuality is gendered in religious contexts This comprehensive text will act as an essential accompaniment to scholars and students across the social sciences and humanities whether they have a general interest in the field or are embarking on their own research in this area

The Routledge Research Companion to Geographies of Sex and Sexualities Gavin Brown, Kath Browne, 2016-05-20 Comprehensive and authoritative this state of the art review both charts and develops the rich sub discipline geographies of sexualities exploring sex gender sexuality and sexual practices Emerging from the desire to examine differences and exclusions as a key aspect of human geographies these geographies have engaged with heterosexual and queer lesbian gay bi and trans lives Developing thinking in this area geographers and other social scientists have illustrated the centrality of place space and other spatial relationships in reconstituting sexual practices representations desires as well as sexed bodies and lives This book reviews the current state of the field and offers new insights from authors located on five continents In doing so the book seeks to draw on and influence core debates in this field as well as disrupt the Anglo American hegemony in studies of sexualities sexes and geographies This volume is the definitive collection in the area bringing together many international leaders in the field alongside scholars that are well established outside the Anglophone academy and many emerging talents who will lead the

field in the decades to come **The Ashgate Research Companion to Queer Theory** Noreen Giffney, Michael O'Rourke, 2016-03-23 This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work identity discourse normativity and relationality The terms queer and theory are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations in an effort to map the relations and disjunctions between them These contributors are especially attendant to the many theoretical discourses intersecting with queer theory including feminist theory LGBT studies postcolonial theory psychoanalysis disability studies Marxism poststructuralism critical race studies and posthumanism to name a few This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking while also signposting several fruitful avenues for future research This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom **Forthcoming Books** Rose Army, 2003

Subject Guide to Books in Print, 1993 **The Routledge Research Companion to Critical Geopolitics** Assoc Prof Merje Kuus, Professor Joanne Sharp, Professor Klaus Dodds, 2013-02-28 Bringing together leading researchers associated with the different forms of critical geopolitics this volume produces an overview of its achievements limitations and areas of new and potential future development The Companion is designed to serve as a key resource for an interdisciplinary group of scholars and practitioners interested in the spatiality of politics **Books in Print Supplement**, 2002 Books in Print, 1994 Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 *Joyce in the Belly of the Big Truck; Workbook* Joyce A. Geographies of Sexualities Dr Gavin Brown, Dr Jason Lim, Professor Kath Browne, 2012-11-28 Recent years have seen a dramatic upsurge of interest in the connections between sexualities space and place Drawing established and founding figures of the field together with emerging authors this innovative volume offers a broad interdisciplinary and international overview of the geographies of sexualities Incorporating a discussion of queer geographies *Geographies of Sexualities* engages with cutting edge agendas and challenges the orthodoxies within geography regarding spatialities and sexualities It contains original and previously unpublished material that spans the often separated areas of theory practices and politics This innovative volume offers a trans disciplinary engagement with the spatialities of sexualities intersecting discussions of sexualities with issues such as development race gender and other forms of social difference *Mapping Desire: Geog Sexuality* David Bell, Gill Valentine, 2003-09-02 This is the first book to explore sexualities from a geographical perspective The nature of place and notions of space are of increasing centrality to cultural and social theory *Mapping Desire* presents the rich and diverse world of contemporary sexuality exploring how the heterosexual body has been appropriated and resisted on the individual community and city scales The geographies presented here range across Europe America

Australasia Africa the Pacific and the imaginary cutting across city and country and analysing the positions of gay men lesbians bisexuals and heterosexuals The contributors ring different interests and approaches to bear on theoretical and empirical material from a wide range of sources The book is divided into four sections cartographies identities sexualised spaces global local sexualised spaces local global sites of resistance Each section is separately introduced Beyond the bibliography an annotated guide to further reading is also provided to help the reader map their own way through the literature

The Geographies of Digital Sexuality Catherine J. Nash, Andrew Gorman-Murray, 2019-05-22 This edited book engages with the rapidly emerging field of the geographies of digital sexualities that is the interlinkages between sexual lives material and virtual geographies and digital practices Modern life is increasingly characterised by our integrated engagement in digital material landscapes activities and our intimate life online can no longer be conceptualised as discrete from real life Our digital lives are experienced as a material embeddedness in the spaces of everyday life marking the complex integration of real and digital geographies Perhaps nowhere is this clearer than in the ways that our social and sexual practices such as dating or casual sex are bound up online and online geographies and in many cases constitute specific sexuality based communities crossing the digital material divide The aim of this collection is to explore the complexities of these newly constituted and interwoven sexual and gender landscapes through empirical theoretical and conceptual engagements through wide ranging innovative and original research in a new and quickly moving field

Space, Place, and Sex Lynda Johnston, Robyn Longhurst, 2009-11-16 This accessible and engaging book explores the ways that space place and sex are inextricably linked from the micro to the macro level from the individual body to the globe Drawing on queer feminist gender social and cultural studies Lynda Johnston and Robyn Longhurst highlight the complex nature of sex and sexuality and how they are connected to both virtual and physical spaces and places Their aim is to enrich our understanding of sexual identities and practices whether they be lesbian gay bisexual transsexual asexual queer or heterosexual They show that bodies are defined and connected through media such as television movies ads and the Internet as well as through real places such as homes churches sports arenas city streets beaches and wilderness Drawing on a diverse array of historical and contemporary examples the authors argue convincingly that sexual politics permeate all places and spaces at every level of geographical scale Thus they illustrate sexuality affects the way people live in and interact with space and place as space and place in turn affect people's sexuality
