Education, Values and Ethics in International Heritage Jeanette Atkinson, 2016-04-29 The changing and evolving relationship between museums and communities Indigenous ethnic and marginalized has been a primary point of discussion in the heritage sector in recent years Questions of official and unofficial heritage whose artefacts to collect and exhibit and why

have informed and influenced museum practice Developing from this a key issue is whether it is possible to raise awareness of differing cultural perspectives values and beliefs and incorporate this into the education and training of heritage professionals with the aim of making cultural awareness an integrated and sustainable core part of future heritage training and practice This book discusses perceptions of values and ethics authenticity and significance and documents the historical heritage and education context in North America Scandinavia and the United Kingdom with a particular emphasis on Aotearoa New Zealand The author explores whether it is possible to learn respect for differing cultural perspectives through the undertaking of educational programmes identifies various approaches that could complement the development of students and professionals in the cultural heritage and preservation sectors and offers a means of actively engaging with cultural and professional values through a Taxonomy for Respecting Heritage and Values

The Birth of the Patient Anastasia Novkunskaya,Artemiy Minakov,Anna Klepikova,2024-12-15 This book explores the complex ways in which a newborn patient is constructed perceived and treated within the medical context It examines how the patients social position is shaped by the institutional settings in which they are situated and how their identity is influenced by various factors including biomedical social economic political and bureaucratic processes By focusing on the newborn as a physical social symbolic and even an abstract statistical unit highlighting their role in shaping economic and symbolic performance indicators for medical institutions and drawing on prolonged fieldwork and diverse empirical data this book gives voice to the newborn voiceless and acknowledges the difficult labor of neonatal medical professionals

Being Human David G. Kirchhoffer,Robyn Horner,Patrick McArdle,2013-08-09 What does it mean to be human The traditional answers from the past remain only theoretical possibilities unless they come to mean something to today s generation Moreover in light of new knowledge and circumstances a new generation may call these old answers into question and seek to reinterpret or indeed provide alternatives to them In the 1960s the Catholic Church s Second Vatican Council attempted such a reinterpretation an aggiornamento for the post war generation of the mid twentieth century by proposing in *Gaudium et Spes* a theological anthropology founded upon the ideas of human dignity and the common good Fifty years later is an appropriate time to revisit those answers and
