Nice Book Letters Joe Hill Centenary:

From the Ashes Sarah Jaffe, 2024-09-10 From a social critic and journalist a poignant book that encourages publicly grieving what we've lost in order to move towards a hopeful future Our era is one of significant and substantial loss of unraveling hopes and expectations of dreams curtailed of aspirations desiccated At the same time we are denied the means of mourning the futures that are being so brutally curtailed At such a moment taking the time to grieve is a radical act Through in depth reporting intertwined with memoir Sarah Jaffe shows how public memorialization has become more than a refusal or a protest it is a path to imagining a better world When we are able to mourn the lives the homes and the worlds we have lost we are better prepared to fight for a transformed future *Quand les travailleurs sabotaient* Dominique

Pinolle, 2024-09-13 L'histoire du monde du travail dont les médias et le monde politique ne glissent ni présentent et effacent la réalité historique et sociologique n'a pas fini de nous donner des leçons sur la culture de la résistance Quelle que soit la manière dont on qualifie la littérature les discours les représentations et les pratiques liées au sabotage en France et aux États-Unis jusqu'à la guerre il n'en demeure pas moins que le phénomène n'a aucun équivalent ailleurs dans le monde ni dans sa nature ni dans son ampleur Toutes les forces syndicalistes révolutionnaires ont été réceptives au concept mais seuls les militants français et les Wobblies américains ont produit une doctrine originale du sabotage qui a rencontré un écho international comme en témoigne la diffusion internationale du terme français et du symbole du chat noir En outre malgré leurs particularités respectives les deux formes de cette tactique qui se développent de part et d'autre de l'Atlantique sont liées et peuvent donc être appréhendées comme les deux faces d'une même histoire L'urgence climatique et sociale a remis au goût du jour l'activisme radical dont le recours au sabotage Loin de se réduire à une gradation matérielle cette pratique a soulevé d'immenses espoirs dans les rangs syndicalistes révolutionnaires de la Belle époque au point d'être théorisée et mise en œuvre de manière collective De la Confédération générale du travail CGT en France aux Industrial Workers of the World IWW aux États-Unis le sabotage apparaissait alors comme une tactique légitime imparable et contre laquelle patrons et gouvernants ne pouvaient rien Cette expérience syndicale claire la portée et les limites d'un moyen d'action marginalisé objet de nombreux fantasmes **The Gothic**

Literature and History of New England Faye Ringel, 2022-02 The Gothic Literature and History of New England surveys the history nature and future of the Gothic mode in the region from the witch trials through the Black Lives Matter Movement Texts include Cotton Mather and other Puritan divines who collected folklore of the supernatural the Frontier Gothic of Indian captivity narratives the canonical authors of the American Renaissance such as Melville and Hawthorne the women's ghost story tradition and the Domestic Gothic from Harriet Beecher Stowe to Charlotte Perkins Gilman to Shirley Jackson H P Lovecraft Stephen King and writers of the current generation who respond to racial and gender issues The work brings to the surface the religious intolerance racism and misogyny inherent in the New England Gothic and how these nightmares continue to haunt literature and popular culture films television and more **Index-catalogue of the Library**
