Morrissey In Conversation Paul A. Woods, 2017-10-01 An English national treasure Steven Patrick Morrissey has made barbed observations about modern culture for more than two decades As renowned for his elegantly waspish interviews as for his celebrated song lyrics his wit and vitriol are finally collected in a long overdue anthology [Berkmann's Pop Miscellany](#) Marcus Berkmann, 2021-06-03 Marcus Berkmann was for many years the pop critic of the Spectator waiting like most freelancers to get fired He is also the author of the bestselling Berkmann's Cricket Miscellany concentrating on the ridiculous true stories and the weird characters of that most eccentric of sports Here he combines the two in a wildly entertaining ride through the galloping absurdities of pop from Elvis Presley's real hair colour through Janet Jackson's more intimate piercings to Courtney Love's hatred of cheese Why does Bono always wear sunglasses Did Ozzy Osbourne really urinate on the Alamo What actually happened at Keith Moon's 21st birthday party at the Holiday Inn in Flint Michigan There's sex there's drugs there's violence there's even a little rock n roll from time to time But mainly there are vital questions now finally answered Which notable guitarist has unfeasibly tiny hands Which Britpop star was forced to wear lederhosen as a child Who said The majority of pop stars are complete idiots in every respect And was she wrong **Focus On: 100 Most**

Popular RCA Records Artists Wikipedia contributors, *Morrissey FAQ* D. McKinney, 2015-04-01 No one can argue that Morrissey is one of the best lyricists and charismatic front men in music history But people love to argue about other things his mysterious personal life his pompous attitude and the history and meaning behind his biggest hits Morrissey FAQ will put to rest any questions and doubts about the singer known around the world for his meaningful lyrics and biting wit Readers will also learn about his passions his weaknesses the people who love him the people who hate him and the people who want to be him Not since Elvis have fans been so obsessed with a singer they fight with each other at concerts they rush and tackle him onstage they dress and act like him and they even build shrines dedicated to him Liking Morrissey isn't just liking his music it's a way of life Morrissey is known for his over the top lyrics his stage antics his philosophies and his whining But after reading this book and digging deeper into the brooding mystique that is Morrissey you'll also start whining for more

Interconnecting Music and the Literary Word Fausto Ciompi, Roberta Ferrari, Laura Giovannelli, 2018-07-27 Dealing with the interconnections between music and the written word this volume brings into focus an updated range of analytical and interpretative approaches which transcend the domain of formalist paradigms and the purist assumption of music's non referentiality Grouped into three thematic sections these fifteen essays by Italian British and American scholars shed light on a phenomenological network embracing different historical socio cultural and genre contexts and a variety of theoretical concepts such as intermediality the soundscape notion and musicalisation At one end of the spectrum music emerges as a driving cultural force an agent cooperating with signifying and communication processes and an element functionally woven into the discursive fabric of the literary work The authors also provide case studies of the fruitful musico

literary dialogue by taking into account the seminal role of composers singer songwriters and performers From another standpoint the music in literature and literature in music dynamics are explored through the syntax of hybridisations transcoding experiments and iconic analogies
