Directions: Circle all work box and complete work task.

- ☐ Read the passage one time to find the gist.
- ☐ Read the passage again. Circle words that are interesting or that you don't know.
- ☐ Read the passage again. Underline important ideas.

Long ago, America was not its own country. It was part of Great Britain. The king made rules, but many people in America did not like those rules. They had to pay high taxes. They could not help make laws. People were angry. They wanted to be free. In 1775, a war began. It was called the American Revolution. Many people fought in the war. George Washington led the American army. He worked hard to help the people win. In 1776, a paper was written. It said America wanted to be free. That paper was the Declaration of Independence. The war lasted for eight years. In the end, America won. America became a new country. The people could make their own laws.

Highlight the evidence for each answer using the correct color.  
Then answer the question using a complete sentence.

- 1 [YELLOW] Who was the leader of the American army?

**ESL Readers and Writers in Higher Education** Norman W. Evans, Neil J Anderson, William G. Eggington, 2015-06-12 ESL Readers and Writers in Higher Education describes the challenges ESL students in U S postsecondary institutions face when studying in a second language and offers suggestions for how teachers advisors tutors and institutions might provide support that meets the reading and writing needs of this very important student population Because the ESL profession as a whole including what professionals are doing in the classroom sits under the umbrella of an institutional response to a language related challenge some solutions aimed at helping students achieve optimal proficiency lie outside of the classroom As such this book is based on the assertion that language development support is not the sole responsibility of language teachers Everyone on campuses that hosts ESL students bears some responsibility for these students language development Chapters are therefore intentionally adapted to appeal to a wide variety of readers from classroom teachers and teachers in

**The Return of Oral Hermeneutics** Tom Steffen, William Bjoraker, 2020-05-01 Have Western exegetes turned an Eastern book into a Western one Has our fondness for a fixed printed text capable of being analyzed with precision and exactitude blinded us to other hermeneutic possibilities Does God require all people to be able to analyze grammar to interpret Scripture Does God assume all people can interpret Scripture through oral means The authors recognize the effects of centuries of literacy socialization that produced a blind spot in the Western Christian world the neglect by most in the academies agencies and assemblies of the foundational and forceful role orality had on the biblical text and teaching From the inspired spoken word of the prophets including Jesus pre text to the elite literate scribes who painstakingly hand printed the sacred text to post text interpretation and teaching the footprint of orality throughout the entire process is acutely visible to those having the oral aural influenced eyes of the Mediterranean ancients Could oral hermeneutics be the mother of relational theology

**Return Of Reader** Elizabeth Freund, 2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be called literary studies New Accents is intended as a positive response to the initiative offered by such a situation Each volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the boundaries that currently define literature and its academic study
