The Doors You Can Open Rosalind Chow, 2025-04-08 Chow revolutionizes our understanding of how careers advance Daniel H Pink 1 New York Times best selling author of Drive taking readers on a transformative journey beyond the standard model of mentorship to embracing sponsorship The way we currently network and engage in mentorship isn't working Given the ever evolving nature of the workplace transactional networking and company enforced mentorship programs simply don't help make our professional relationships more authentic or our workplaces more equitable What we need instead is sponsorship What's the difference between mentorship and sponsorship Mentorship involves helping a mentee change their behavior while sponsorship involves changing how other people see a protégé Sponsorship is as important if not more so than mentorship in determining who gets ahead making it a more effective way to promote social equality and inclusion in the workplace In *The Doors You Can Open* organizational expert Rosalind Chow shows readers that they likely already engage in sponsorship in their personal and professional networks and how they can channel those skills to build more authentic professional relationships We all have more agency and deeper networks to act as sponsors than we might think and sponsoring others can lead to mutually beneficial lifelong connections rather than merely transactional interactions Given the ever evolving nature of the workplace intentional and equitable sponsorship is more important now than ever for overturning traditional social hierarchies Based on decades of original research *The Doors You Can Open* makes a bold case for completely changing the way we network Reading it will change how we see and use our relationships in the service of creating stronger workplaces for all

The Eternal Present of Sport Daniel A. Grano, 2017-06 In his persuasive study *The Eternal Present of Sport* Daniel Grano rethinks the sport religion relationship by positioning sport as a source of theological trouble Focusing on bodies time movement and memory he demonstrates how negative theology can be practically and theoretically useful as a critique of elite televised sport Grano asserts that it is precisely through sport's highest religious ideals that controversies are taking shape and constituting points of political and social rupture He examines issues of transcendence legacy e.g. greatest ever or all time and witnessing through instant replay which undermine institutional authority Grano also reflects on elite athletes representing especially powerful embodiments of religious and social conflict including around issues related to gender sexuality ability doping traumatic brain injury and institutional greed Elite sport is in a period of profound crisis It is through the ideals Grano analyzes that we can imagine a radically alternative future for elite sport
