Create Loyalty Without Cheap Tricks Or Gimmicks. Build A Brand That Truly Resonates Ahmed Musa ,2025-05-30 Want customers for life Here's the truth most marketers won't tell you Loyalty can't be bought with discounts freebies or slick tricks It's earned One emotional connection at a time Create Loyalty Without Cheap Tricks Or Gimmicks is your no fluff guide to building a brand people believe in talk about and come back to again and again This book doesn't teach manipulation It teaches resonance And that's 10x more powerful Inside you'll learn How to uncover your brand's emotional core and why it matters more than your logo The reason some brands create die hard fans while others fade into noise A storytelling framework that connects with your audience's identity not just their wallet The secret to building loyalty that outlives your latest product offer or algorithm If you're sick of chasing followers fighting for attention or bribing people to stay this is your wake up call Loyalty doesn't come from gimmicks It comes from meaning Read this book Build a brand people feel And never beg for attention again *The Hacking of the American Mind* Robert H. Lustig,2017-09-12 Explores how industry has manipulated our most deep seated survival instincts David Perlmutter MD Author 1 New York Times bestseller Grain Brain and Brain Maker The New York Times bestselling author of Fat Chance reveals the corporate scheme to sell pleasure driving the international epidemic of addiction depression and chronic disease While researching the toxic and addictive properties of sugar for his New York Times bestseller Fat Chance Robert Lustig made an alarming discovery our pursuit of happiness is

being subverted by a culture of addiction and depression from which we may never recover Dopamine is the reward neurotransmitter that tells our brains we want more yet every substance or behavior that releases dopamine in the extreme leads to addiction Serotonin is the contentment neurotransmitter that tells our brains we don't need any more yet its deficiency leads to depression Ideally both are in optimal supply Yet dopamine evolved to overwhelm serotonin because our ancestors were more likely to survive if they were constantly motivated with the result that constant desire can chemically destroy our ability to feel happiness while sending us down the slippery slope to addiction In the last forty years government legislation and subsidies have promoted ever available temptation sugar drugs social media porn combined with constant stress work home money Internet with the end result of an unprecedented epidemic of addiction anxiety depression and chronic disease And with the advent of neuromarketing corporate America has successfully imprisoned us in an endless loop of desire and consumption from which there is no obvious escape With his customary wit and incisiveness Lustig not only reveals the science that drives these states of mind he points his finger directly at the corporations that helped create this mess and the government actors who facilitated it and he offers solutions we can all use in the pursuit of happiness even in the face of overwhelming opposition Always fearless and provocative Lustig marshals a call to action with seminal implications for our health our well being and our culture

The Road That Made America James Dodson, 2025-07 In the bestselling tradition of Rinker Buck's The Oregon Trail and Tony Horwitz's Confederates in the Attic The Road That Made America is a lively epic account of one of the greatest untold stories in our nation's history the eight hundred mile long Great Wagon Road that 18th century American settlers forged from Philadelphia to Georgia that expanded the country dramatically in the decades before we ventured west Little known today the Great Wagon Road was the primary road of frontier America a mass migration route that stretched more than eight hundred miles from Philadelphia to Augusta Georgia It opened the Southern frontier and wilderness east of the Appalachian Mountains to America's first settlers and later served as the gateway for the exploration of the American West In the mid 1700s waves of European colonists in search of land for new homes left Pennsylvania to

settle in the colonial backcountry of Maryland Virginia and the Carolinas More than one hundred thousand settlers made the arduous trek those who would become the foundational generations of the world s first true immigrant nation In their newly formed village squares democracy took root and bloomed During the Revolutionary War the road served as the key supply line to the American resistance in the western areas of the colonies especially in the South Drawing on years of fieldwork and scholarship by an army of archeologists academics archivists preservationists and passionate history lovers James Dodson sets out to follow the road s original path from Philadelphia to Georgia On his journey he crosses six contiguous states and some of the most historic and hallowed landscapes of eastern America touching many of the nation s most sacred battlefields and burying grounds Due to its strategic importance military engagements were staged along the Great Wagon Road throughout North America s three major wars including the early days of the bloody French and Indian conflict and pivotal Revolutionary War encounters In time the Great Wagon Road became America s first technology highway as growing roadside villages and towns and cities became in effect the first incubators of America s early Industrial age The people and ideas that traveled down the road shaped the character of the fledgling nation and helped define who we are today Dodson s ancestors on both sides took the Great Wagon Road to Maryland and North Carolina respectively giving him a personal stake in uncovering the road s buried legacy An illuminating and entertaining first person history **The Road That Made America** restores this long forgotten route to its rightful place in our national story
