Black Baseball Entrepreneurs,

1902-1931 Michael E. Lomax, 2014-06-27 As the companion volume to *Black Baseball Entrepreneurs 1860-1901: Operating by Any Means Necessary*, Lomax's new book continues to chronicle the history of black baseball in the United States. The first volume traced the development of baseball from an exercise in community building among African Americans in the pre-Civil War era to a commercialized amusement and a rare and lucrative opportunity for entrepreneurship within the black community. In this book, Lomax takes a closer look at the marketing and promotion of the Negro Leagues by black baseball magnates. He explores how race influenced black baseball's institutional development and shaped the business relationship with white clubs and managers. Lomax analyzes the decisions that black baseball magnates made to insulate themselves from outside influences. He explains how this insulation may have distorted their perceptions and ultimately led to the Negro Leagues' demise. The collapse of the Negro Leagues by 1931, as Lomax argues, was a dream deferred in the overall African American pursuit for freedom and self-determination.

Team of Destiny Gary Sarnoff, 2024-02-20 The heartwarming underdog story of the 1924 Washington Senators. In 1924, Washington Senators team president Clark Griffith hired Bucky Harris, his twenty-seven-year-old second baseman, to manage the Senators, a decision called Griffith's folly. Yet the Senators, inspired by their fiery new leader, found themselves in first place heading into the homestretch. The question remained: with an untested manager and an aging star pitcher, would they be able to hold on for the first world championship in team history? In *Team of Destiny*, Walter Johnson, Clark Griffith, Bucky Harris, and the 1924 Washington Senators, Gary Sarnoff recounts the uplifting story of a team that surpassed all expectations and gave Washington fans a season to remember. Before the season began, legendary pitcher Walter Johnson announced the 1924 season would be his last. Sarnoff tells how, in the heat of a grueling pennant race, the surging Senators won the approval of the entire country who cheered on the underdogs, and the thirty-six-year-old Johnson. A fight to the finish saw the Senators on top and into the World Series, where Johnson was called to the mound in the final game in the ninth inning. With all eyes upon him, would Walter Johnson come through? *Team of Destiny* describes in wonderful detail this remarkable season and the players who made it unforgettable. One hundred years later, it's still a story that is sure to inspire all generations of baseball fans.
