Historical Dictionary of Basketball John Grasso,2010-11-15 In less than 120 years an activity invented by one man to alleviate winter boredom for a college gym class has evolved into a worldwide multi billion dollar enterprise It is impossible for Dr James Naismith basketball s inventor to have envisioned the extent to which his simple game would reach Without major changes to his original 13 rules basketball is now played in more than 200 countries by people of all ages Thanks to basketball players like Michael Jordan Earvin Magic Johnson Larry Bird LeBron James Kobe Bryant and Shaquille O Neal have become some of the most famous people in the world The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball amateur professional men s women s Olympic domestic and international from its invention in 1891 through the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on the people places teams and terminology of the game *The Postcolonial Sporting Body* Veena Mani,Mathangi Krishnamurthy,2024-09-30 The Postcolonial Sporting Body considers the future not only of sport but of global politics and identity in a world striving towards greater equity and decolonisation *East Asia at the Center* Warren I. Cohen,2023-08-15 Long before the arrival of Western emissaries and powers East Asian peoples and states were deeply involved in world affairs In this sweeping account Warren I Cohen explores four millennia of international relations from the vantage points of China Japan Korea and Southeast Asia Writing incisively and authoritatively for readers at all levels Cohen paints a broad but revealing portrait of East Asia s place in the world He defines the region s boundaries widely looking beyond China Japan and Korea to include Southeast Asia and extends the scope of international relations to consider the vital role of cultural and economic exchanges Cohen examines the system of Chinese domination in the ancient world the exchanges between East Asia and the Islamic world Chinese sea voyages to Arabia and East Africa and the emergence of a European defined international system He chronicles the new imperialism of the 1890s the ascendancy of Japan the trials of World War II the drama of the Cold War and the transformations of East Asian states toward the close of the twentieth century By showing that East Asia has often been preeminent on the world stage this book not only recasts the past but also adds crucial historical perspective on international politics today This second edition of *East Asia at the Center* features new material on the first decades of the twenty first century *Among the Braves* Shibani Mahtani,Timothy McLaughlin,2023-11-07 Through the eyes of two frontline journalists comes a gripping narrative history of the Hong Kong pro democracy movement centered around a cast of four core activists culminating in the 2019 mass protests and Beijing s brutal crackdown Hong Kong was an experiment in governance Handed back to China in 1997 after 156 years of British rule it was meant to be a carve out between hostile systems a bridge between communism and capitalism authoritarianism and liberal democracy One country two systems kept its media free its courts independent and its protests boisterous designed also to convince Taiwan of a peaceful solution to Beijing s desire for reunification Yet this formulation excluded Hong Kong s

own people their future negotiated by political titans in faraway capitals In 2019 an ill conceived law spear headed by a sycophantic leader pushed millions to take to the streets in one of the most enduring protest movements the world has ever seen Xi Jinping responded with a draconian national security law that sought not only to end the demonstrations but quash the problem of Hong Kongers identity and desire for freedom Reverend Chu who believed Hong Kong had to carry the spirit of students at Tiananmen Square saw his silver haired comrades who birthed the city s modern pro democracy movement handcuffed and taken from their homes Tommy an art student radicalized into throwing Molotov cocktails watched braves like him brutalized by police before his own arrest prompted him to flee Finn epitomized the decentralized nature of the movement and its internet fueled victories but online anonymity couldn t stop his life from unravelling Gwyneth could predict her eventual fate when she chose to give up her career as a journalist to stand for election as an opposition candidate and did it anyway In *Among the Braves* Shibani Mahtani and Timothy McLaughlin tell the story of Hong Kong s past and what the sacrifices of its people mean for global democracy s shaky foundation

Middle Class Shanghai Cheng Li, 2021-05-11 The United States may be headed toward a disastrous conflict with China unless Washington updates its understanding of contemporary Chinese society After four decades of engagement the United States and China now appear to be locked on a collision course that has already fomented a trade war seems likely to produce a new cold war and could even result in dangerous military conflict The current deterioration of the bilateral relationship is the culmination of years of disputes disillusionment disappointment and distrust between the two countries Washington has legitimate concerns about Beijing s excessive domestic political control and aggressive foreign policy stances just as Chinese leaders believe the United States still has futile designs on blocking their country s inevitable rise to great power status Cheng Li s *Middle Class Shanghai* argues that American policymakers must not lose sight of the expansive dynamism and diversity in present day China The caricature of the PRC as a monolithic Communist apparatus set on exporting its ideology and development model is simplistic and misguided Drawing on empirical research in the realms of higher education avant garde art architecture and law this unique study highlights the strong constructive impact of bilateral exchanges Combining eclectic human stories with striking new data analysis this book addresses the possibility that the development of China s class structure and cosmopolitan culture exemplified and led by Shanghai could provide a force for reshaping U S China engagement Both countries should build upon the deep cultural and educational exchanges that have bound them together for decades The author concludes that U S policymakers should neither underestimate the role and strength of the Chinese middle class nor ostracize or alienate this force with policies that push it toward jingoistic nationalism to the detriment of both countries and the global community With its unique focus this book will enlighten policymakers scholars business leaders and anyone interested in China and its increasingly fraught relations with the United States

The NBA's Global Empire Joshua K. Wright, 2025-03-05 During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association s top

talent led by Michael Jordan Magic Johnson Larry Bird and Charles Barkley shook up the world as they amazed spectators and opponents on their way to winning gold Their success introduced the world to the NBA s charismatic superstars and their artistic brand of basketball Over the next two decades youth outside of America dreamed of becoming the next Michael Jordan Kobe Bryant and LeBron James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today s best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA s ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA s global reach Wembanyama Yann Ohnona,2024-10-10 This is the definitive account of how Victor Wembanyama became the best basketball prospect of his generation told through immersive interviews with the star stunning visuals and behind the scenes stories from those who knew him best June 22 2023 Wemby s face stretches high on the billboards of Times Square New York It s a big day The day when he becomes the first Frenchman to be selected as the No 1 overall pick in the NBA draft He was only 19 years old Drawing upon years of original research interviews and unrivalled access to Wemby and his inner circle including trainers agents teammates family and friends this book unveils one of the most fascinating sporting personalities the NBA has ever seen tracing his early life in Chesnay Yvelines to his arrival in the US his historic season with the Metropolitans 92 his Las Vegas experience and his first season with the San Antonio Spurs Learn the mistake that led to his discovery why LeBron calls him alien Alien and how he has adapted to his new life at the apex of the sport This is the must read genesis story of the most exciting player to have burst onto the scene in years **Strongest Deceptive System** Wo ChiBaoMiHua,2020-09-17 When Diaosi Shangliang was separated by his girlfriend he got a system possession and from then on embarked on a disheartened counterattack **Jayhawker** Andrew Malan Milward,2019-10-21 Wars ravage Iraq and Afghanistan An earthquake devastates Haiti The economy is in crisis and America is in the death grip of partisan politics But what really really gets you down Your college basketball team loses a key game It kind of makes a person wonder first of course about his priorities but then inevitably about the nature of such an obsession one clearly shared with millions of sports fans spanning the United States In a book that begins with one fan s passion for a game Andrew Malan Milward takes a deep dive into sports culture team loyalty and a shared sense of belonging and what these have to do with character home and history At the University of Kansas where the inventor of the sport coached its first team basketball is a religion and Milward is a devoted follower with a faith that has grown despite time and distance Jayhawker his first venture into nonfiction bears the

marks of the accomplished storyteller Sharply observed deftly written and often as dramatic as its subject the book pairs personal memoir with cultural history to conduct us from the world of the athlete to the literary life from competition to camaraderie from the history of the game to the game as a reflection of American history at its darkest hour and in its shining moments A journey through one man's obsession with basketball Jayhawker On History Home and Basketball tells a quintessential American story

The State and Capitalism in China Margaret M. Pearson, Meg Rithmire, Kellee Tsai, 2023-06-29 China's contemporary political economy features an emboldened role for the state as owner and regulator and with markets expected to act in the service of party state goals How has the relationship between the state and different types of firms evolved This Element situates China's reform era political economy in comparative analytic perspective with attention to adaptations of its model over time Just as other types of economies have generated internal dynamics and external reactions that undermine initial arrangements so too has China's political economy While China's state has always played a core role in development over time prioritization of growth has shifted to a variant of state capitalism best described as party state capitalism which emphasizes risk management and leadership by the Chinese Communist Party CCP Rather than reflecting long held intentions of the CCP the transition to party state capitalism emerged from reactions to perceived threats and problems some domestic and some external These adaptations are refracted in the contemporary crises of global capitalism This title is also available as open access on Cambridge Core
