The Deadline Effect Christopher Cox, 2021-07-08 I love deadlines I like the whooshing sound they make as they fly by So said author Douglas Adams but what if there was a way of making deadlines work for you and using them to ensure others provide you with what you want when you want it In Christopher Cox s brilliant new book he looks at the impact deadlines have on us and how we can use them to deliver the best results for all parties Social scientists have revealed that most negotiations run right up to the deadline before a deal is finally struck What they also discovered was that this deadline effect usually results in a worse deal for both parties Cox shows you how instead the deadline effect can be used to bring about success not failure The truth is that most of us think of deadlines all wrong They aren t immutable laws of nature they are a game we can play and win This book will show you the strategies different workplaces have come up with to do just

that They are the businesses and individuals who are rehabilitating the deadline effect taking the urgency it provides and jettisoning all the down to the wire nonsense Based on his own experience as a magazine commissioning editor where coaxing writers to deliver on time is an art form he also embeds himself in other businesses such as a ski patrol ahead of the first day of the winter season to see how they meet deadlines that cannot be missed Above all this book is an argument to embrace the power of deadlines When time is limited people are less wasteful more focused productive and creative It s a liberating realisation excellence and timeliness are not at odds and the deadline effect can be highly effective **Quest for Kimchi** Raquel Look,2023-03-07 Rachel See thinks she has it all figured out until her boyfriend breaks things off and she s left with a job she dreads Taking a leap she decides to move abroad to Ireland where she takes a position at a company without really knowing what the business does or what the job entails While there with the help of a new crew of international friends and her old buddy in New York Magda she finally learns to let go of stability and ambition to experience life with all its ups and downs It s My Big Fat Greek Wedding meets Eat Pray Love with a side of kimchi that accompanies each adventure Rachel ultimately quits her job to venture off on a soul searching journey filled with pizza pasta prosciutto and everything in between There is some praying a little bit of loving and a whole lot of healing a love story between two people you d least expect one too many Guinnesses a lot of crack err craic and a big fat Greek wedding complete with big phat Greeks [How to Make Money on eBay - Maximize Profits](#) Jill b.,2014-11-08 Secrets of a 16 year Full Time Seller and Pioneering Power Seller Have you sold some items but are looking for more to sell Are you looking to expand your eBay business but don t know where to start This is NOT a garbage book written by someone with little or no eBay experience describing what eBay is and what an eBay business is I have made a full time living selling on eBay since 1998 I started selling on eBay in my college dorm room Within 2 years I had made enough money to cover 2 years of Ivy League college tuition I was one of the pioneering Powersellers In the nearly two decades of selling on eBay I have been through and survived many economic booms and busts I am now moving further into the countryside and semi retiring from eBay selling In this book I will reveal all my closely guarded secrets to selling on eBay including my best retail sources how to maximize profits using retail arbitrage how to find deals from both online and brick and mortar stores how to reduce risk and shipping costs This book is NOT for eBay novices This book assumes the reader has some knowledge of selling on eBay The ideas in this book apply to all sellers The details apply to US based sellers This book is NOT a get rich quick scheme Selling on eBay is easy But it can also be hard If everyone could get rich selling on eBay everyone would be doing it I will not build castles in the air for you I will not tell you that you can make money on eBay by selling unspecified items from unspecified wholesalers I will not give you a list of toys and tell you to go on Craigslist to find them I will not claim that I work two hours a day selling on eBay and make thousands a month Come ON Get real Selling on eBay is a BUSINESS and I have been in this business long enough to know that there are no guarantees regardless of past performances Instead I will give you the TOOLS to help
