## Cyber Monday Disney Plus Near Me:

*History by HBO* Rebecca Weeks, 2022-07-12 The television industry is changing and with it the small screen's potential to engage in debate and present valuable representations of American history. Founded in 1972, HBO has been at the forefront of these changes, leading the way for many network cable and streaming services into the post-network era. Despite this, most scholarship has been dedicated to analyzing historical feature films and documentary films, leaving TV and the long form drama hungry for coverage. In *History by HBO: Televising the American Past*, Rebecca Weeks fills the gap in this area of media studies and defends the historiographic power of long form dramas. By focusing on this change and its effects, *History by HBO* outlines how history is crafted on television and the diverse forms it can take. Weeks examines the capabilities of the long form serial for engaging with historical stories, insisting that the shift away from the network model and toward narrowcasting has enabled challenging histories to thrive in home settings. As an examination of HBO's unique structure for producing quality historical dramas, Weeks provides four case studies of HBO series set during different periods of United States history: *Band of Brothers* (2001), *Deadwood* (2004-2007), *Boardwalk Empire* (2012-2014), and *Treme* (2010-2013). In each case, HBO's lack of advertiser influence, commitment to creative freedom, and generous budgets continue to draw and retain talent who want to tell historical stories. Balancing historical and film theories in her assessment of the roles of mise en scene, characterization, narrative complexity, and sound in the production of effective historical dramas, Weeks' evaluation acts as an ode to the most recent Golden Age of TV, as well as a critical look at the relationship between entertainment media and collective memory.

*Disney's Animated Classics* Stephen Röttsch Thomas, 2025-12-30 Which Disney character is responsible for the most onscreen deaths? What are the entry requirements for becoming a Disney Princess? Why is Jiminy Cricket always breaking into people's homes? In *Disney's Animated Classics*, Stephen Röttsch Thomas explores the iconic features from the studio's first 100 years, from *Snow White* to *Wish*. A love letter to storytelling and collaboration, each chapter takes readers behind the scenes of a different movie, uncovering the hidden secrets, creative geniuses, and surprising connections that will enthral die-hard Disney fans and casual viewers alike. *Disney's Animated Classics* examines how the studio's films have shaped and been shaped by the world around them and how they have attempted to reflect a changing culture. From the studio's representation of race and sexuality to its fluctuating creative fortunes through the decades, Röttsch Thomas offers an unflinchingly funny history of one of the biggest icons in cinema. His unauthorized deep dive is an irreverent but loving tribute to the films that have defined generations of childhoods. Whether you're a self-proclaimed Disney Adult, a film fan looking to learn about the animation behemoth, or just someone trying to understand why Robin Hood was responsible for your sexual awakening, there's something for you here.

*Don't Be the Weakest Link* Shayne Kawalilak, Charles \*\*\*\*\*, 2025-01-01 Shayne and Charles bring over 50 years of security and privacy expertise to this masterfully crafted blueprint for surviving in this new digital landscape. Introducing the Weakest Link Scale, this book helps
