The universe is conspiring against Ava Breevort As if flying back to Phoenix to bury a childhood friend wasn't hell enough a cloud of volcanic ash traveling from overseas delayed her flight back home to Boston Her last ditch attempt to salvage the trip was thwarted by an arrogant sexy Scotsman who stole the last first class seat and over the course of their prolonged journey home landed right into her bed for the steamiest layover she's ever had And that's all it was until Caleb Scott shows up on her doorstep Caleb knows better than to question fate and when pure chance pulls Ava back into his orbit he takes full advantage For the next few days while he's stranded in Boston he's going to pull out all the stops to convince Ava they might have what it takes to go the distance
