Shadows of the Foreign Legion or An Immigrant's Tale Oleksandr Sambor,2025-04-30 This is my attempt to capture in digital form echoes of a time spent in the L gion trang re Imagine these not as precise historical records but as memories transformed into narrative a grandfather s tales perhaps spun years later for an audience of grandchildren Bear with me the chronology may wander and strict adherence to grammar might be flexible Specific Foreign Legion terms les mots de l bas will appear in their original French Names and ranks emerge only when their significance is unmistakable Others remain veiled either lost to time or protected by discretion Let me emphasize this is not intended as a recruitment tool My perspective is deeply personal often laced with criticism and irony Those with unwavering devotion to the military or the French Republic may find my viewpoint idiosyncratic These are the reflections of a former immigrant who served those five years pursuing French citizenship and whose experiences were inevitably shaped by individual perspectives expectations and beliefs The content is divided into parts related to my stay in certain regiments of the Foreign Legion 1 RE 4 RE 3 REI These parts are divided into specific chapters and then into more particular mini themes If you aim to inform yourself about something specific you can find it in a table of contents If the topic is irrelevant the reader can skip it and go to the content he is more interested in If all goes well the content presented here will be Part 1 mainly describing my first steps of emigration boot camp and my stay in French Guiana

Everybody's Business Jon Miller,2013-10-10 Sometimes it seems as if business exists purely to enrich a small elite While the world is facing unprecedented challenges it appears that businesses are only interested in making profits or paying bonuses Big businesses are powerful machines We all know they have the potential to cause enormous social and environmental harm but with their resources and expertise they can also be great engines of positive change Rather than fighting the power of business should we be seeking to harness it Everybody s Business is a journey through the business world We meet the companies that are driving business forward by mobilising to tackle the challenges we all face At its heart this is a story of businesses doing what they do best delivering products and services that people need creating jobs and finding new ways to solve old problems It s a story of people taking the initiative and finding inspiration in the positive impact of their actions We see how some of today s leading companies are realising that lasting success comes from having a purpose broader than making a profit They know that business should benefit customers employees suppliers neighbours and the wider world as well as shareholders Enduring value comes from making business work for everybody
