Key Features

Learn SwiftUI with the help of practical cross platform development projects

Understand the design considerations for building apps for different devices such as Apple Watch iPhone and iPad using SwiftUI s latest features

Work with advanced SwiftUI layout features including SF Symbols SwiftUI grids and forms in SwiftUI

Book Description

Released by Apple during WWDC 2019 SwiftUI provides an innovative and exceptionally simple way to build user interfaces for all Apple platforms with the power of Swift This practical guide involves six real world projects built from scratch with two projects each for iPhone iPad and watchOS built using Swift programming and Xcode

Starting with the basics of SwiftUI you ll gradually delve into building these projects You ll learn the fundamental concepts of SwiftUI by working with views layouts and dynamic types

This SwiftUI book will also help you get hands on with declarative programming for building apps that can run on multiple platforms

Throughout the book you ll work on a chart app watchOS NBA draft app watchOS financial app iPhone Tesla form app iPhone sports news app iPad and shoe point of sale system iPad which will enable you to understand the core elements of a SwiftUI project

By the end of the book you ll have built fully functional projects for multiple platforms and gained the knowledge required to become a professional SwiftUI developer

What you will learn

- Understand the basics of SwiftUI by building an app with watchOS
- Work with UI elements such as text lists and buttons
- Create a video player in UIKit and import it into SwiftUI
- Discover how to leverage an API and parse JSON in your app using Combine
- Structure your app to use Combine and state driven features
- Create flexible layouts on iPad

Who this book is for

SwiftUI Projects is intended for anyone who is already comfortable with Swift We do not cover Swift topics in detail so you need to be familiar with these already

All of the SwiftUI topics are taught as if this is the first time you ve learned them and will gradually get more difficult
