Nhl Opening Night Today:

Hockey's Glory Days Dan Diamond, Eric Zweig, 2013-07-16 For 25 years prior to expansion in 1967 big league pro hockey consisted of only six teams and about 120 players A document called the C Form signed by young often poor Canadian boys could bind a player to one franchise for life thus insuring a team's future Intense rivalries brewed as the game the rink it was played on and the equipment players wore evolved Offenses increased as the curved stick and the booming slap shot became all the rage Hockey's Glory Days relives these exciting decades when the Montreal Canadiens made 10 consecutive appearances in the Stanley Cup finals winning the last five and when the Chicago Blackhawks and Toronto Maple Leafs dominated the 60s The book features more than 126 player and team photos plus individual and team statistics for every season from 1949-50 to 1968-69 Hockey's best forwards goaltenders and defensemen are profiled The authors experts in their field include photographs and statistics of greats the likes of Gordie Howe Bobby Hull Maurice Rocket Richard Bobby Orr Phil Esposito and Jacques Plante Hockey's Glory Days even includes the best and worst statistics and trivia from this era

The NHL D'Arcy Jenish, 2013-10-29 The National Hockey League born in a Montreal hotel room on November 26 1917 has much to celebrate as it approaches its centenary Millions of fans from Montreal to Miami and Edmonton to Anaheim attend NHL games each year millions more watch on TV and the league pays its best players multi million annual salaries Over the course of its first century the NHL's fortunes have ebbed and flowed It has experienced setbacks and triumphs and innumerable crises The league has awarded many franchises only to see some of them falter fail and fold The board of governors which has included rich eccentrics and at least one future convict has sometimes been fractured by men who loathed each other How on earth has the NHL survived The answer lies in the remarkable fact that it has had only five presidents and one commissioner Two of these chiefs were stop gaps For the balance of league's ninety plus years four men have shaped and guided its fortunes and controlled the tough hard nosed sometimes unruly owners who constituted the board of governors This is the story of two perpetual struggles the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat D Arcy Jenish was granted unprecedented access to previously unpublished league files including revelatory minutes of board meetings and conducted dozens of hours of interviews with league executives including commissioner Gary Bettman and former president John Ziegler as well as owners coaches general managers and player representatives He now reveals for the first time the true story behind some of the most significant events of the contemporary era This is a definitive revelatory chronicle that no serious hockey fan will want to be without **Mr. Hockey** Gordie Howe, 2014-10-14 Ask Bobby Orr who was the best ever and he'll tell you it was Gordie Howe Ask Wayne Gretzky and he'll say the same thing Big skilled mean and nearly indestructible Howe dominated the game and the record books for decades Today he is still known as Mr Hockey and any bruising forward who can be relied upon to take his team on his shoulders hopes to be compared with the guy who wore number 9 for Detroit for so many years But the fact is there will

never be another like Mr Hockey Certainly no one has come close to matching his incredible twenty consecutive seasons among the top five scorers in the NHL No one has come close to scoring 100 points after the age of forty It seems impossible that anyone will ever again play for Team Canada against the Russians while sharing the ice with his two sons What seems even less likely is that another player will suit up as a professional hockey player in six different decades Still Howe did not inspire generations of hockey players only by rewriting the record books or by getting his name engraved on the league s more coveted trophies When fans and players talk about Gordie Howe it s not so much the player they revere as the man Despite Howe s unyielding ferocity on the ice his name has long been a byword for decency generosity and honesty off it Even those who were too young to see him play know him as a person of his word and a family man Going back to Howe s Depression era roots and following him through his Hall of Fame career his enduring marriage to Colleen his extraordinary relationship with his children and into the present Mr Hockey is the definitive account of the game s most incredible legacy

The Biggest Book of Hockey Trivia Don Weekes, 2009-10-27 Hockey trivia master Don Weekes has cherry picked more than 800 of his most compelling trivia questions and records to create this authoritative collection Who was the only player to captain Steve Yzerman in NHL play When did a forward or defenseman last tend goal during an NHL game What is the time of the fastest goal from the start of a season opening game Irreverent captivating and even bizarre these entertaining stories historic milestones and informative stats capture the essence of the game today and yesterday [The Legendary Game - Ultimate Hockey Trivia](#) Tom King, 2010-10-06 Tom has been researching hockey for the past 35 years Throughout his passion for hockey The Legendary Game Ultimate Hockey Trivia includes more than 1000 trivia facts of the history of hockey covering more than 100 years of Canada s favourite sport This exciting edition chronicles the feats of everybody from the Hall of Famers to the infamous The trivial facts includes everything from the pros to amateurs to international competitions

Leaf history Author Kevin Shea gained unprecedented access to players past and present as well as team executives to offer this book the most compelling informed and accurate portrayal of Toronto's historic hockey team and their important place in both the world of hockey and the culture of Canada Combined with incredible archival photographs and a truly incredible design this is the definitive and must have book for fans of the Blue and White The National Hockey League, 1917-1967 Marshall D. Wright, 2014-01-10 This is a statistical history of the National Hockey League in its first 50 seasons It provides every statistic for every player for every game including playoff games A full introduction puts the tremendous amount of data contained within the book in its historical context and each chapter then recounts a single season An explanatory essay illuminating the most important attributes of a particular season introduces each chapter *Hockey in Syracuse* Jim Mancuso, 2005 Hockey in Syracuse retraces the history of the eight professional teams that have taken the ice in Syracuse in six different leagues since 1930 Each team has its own colorful story beginning with the Syracuse Stars of the International Hockey League The Twinklers have the distinction of capturing the first Calder Cup ever awarded Other teams included the Warriors 1951 1954 the Braves 1962 1963 the Blazers 1967 1977 the Eagles 1974 1975 the Firebirds 1979 1980 and the Hornets 1980 1981 The present day Crunch brought hockey back in 1994 and have provided Syracuse fans with thrills on the ice ever since Salt City teams have won four playoff championships and have set several all time professional hockey records that still stand today Hockey Hall of Famers from these teams include Keith Bingo Allen Gord Drillon Phil Esposito Syd Howe and Dave Sweeney Schriener Syracuse truly has a rich hockey heritage Legendary NHL Coaches Glen Wilkens, 2006 Recounts the stories of coaches from hockey's golden age who are legends of the bench warriors off the ice and hockey innovators Billboard, 2005-01-22 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Down Goes Brown History of the NHL** Sean McIndoe, 2018-10-30 Sean McIndoe of Down Goes Brown one of hockey's favourite and funniest writers takes aim at the game's most memorable moments especially if they're memorable for the wrong reasons in this warts and all history of the NHL The NHL is indisputably weird One moment you're in awe of the speed skill and intensity that define the sport shaking your head as a player makes an impossible play or shatters a longstanding record or sobs into his first Stanley Cup The next everyone's wearing earmuffs Mr Rogers has shown up and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went That's just life in the NHL a league that often can't seem to get out of its own way No matter how long you've been a hockey fan you know that sinking feeling that maybe just maybe some of the people in charge here don't actually know what they're doing And at some point you've probably wondered Has it always been this way The short answer is yes As for the longer answer well that's this book In this fun irreverent and fact filled history Sean McIndoe relates the flip side to the National Hockey League's storied

past His obsessively detailed memory combines with his keen sense for the absurdities that make you shake your head at the league and yet fanatically love the game allowing you to laugh even when your team is the butt of the joke and as a life long Leafs fan McIndoe takes the brunt of some of his own best zingers *The Down Goes Brown History of the NHL is the weird and wonderful league's story told as only Sean McIndoe can* *The Future* Tab Bamford, 2025-02-11 A fascinating inside look at one of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard's Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard's inaugural season provides a thrilling and expansive portrait of today's NHL **The NHL's Mistake by the Lake** Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it **The 1993 Canadiens** K.P. Wee, 2020-01-26 Never to be confused with any previous Montreal Canadien Flying Frenchmen juggernauts who dominated the NHL between the 1950s and 1970s the 1992-93 Canadiens whose lone superstar was future Hall of Fame goaltender Patrick Roy were essentially a nondescript team coming off an embarrassing second round playoff series sweep against the Boston Bruins the previous spring Yet these Habs led by the goaltending of Roy and with timely goals from various unlikely heroes stunned the hockey world by winning a record 10 consecutive playoff overtime games over a magical seven week run during the spring of 1993 Montreal ultimately captured hockey's ultimate prize that June the 24th championship in franchise history in the last Stanley Cup Finals series ever played at the venerable Montreal Forum While the Canadiens had veteran presence in Kirk Muller Vincent Damphousse Brian Bellows Denis Savard and Guy Carbonneau Montreal might not have won the Cup without unlikely heroes like Gilbert Dionne Stephan Lebeau and Paul DiPietro scoring goals in the clutch Others such as Gary Leeman and Mario Roberge

despite not always being in the lineup contributed in ways that didn't necessarily show up on the scoresheet. And behind the bench while Jacques Demers made all the right moves that spring, he isn't even considered today among the top 50 coaches of all time. More than a quarter century later, these Habs remain the last Canadian-based team to win the Cup, and in The 1993 Canadiens Seven Magical Weeks: Unlikely Heroes and Canada's Last Stanley Cup Champions, K. P. Wee relives the story of this incredible season.

Twenty Greatest Hockey Goals Eric Zweig, 2010-10-18 Every hockey fan remembers certain goals scored that stand out from all others. But if one had to name just 20 as the greatest ever accomplished, what would they be? There's Paul Henderson's third game-winning goal in 1972, the one that clinched the Summit Series for Canada against the Soviet Union. Also Mike Eruzione's upset Miracle on Ice winner for the United States against the Soviets at Lake Placid in 1980. And don't forget the famous Stanley Cup winners by the Toronto Maple Leafs, Bill Barilko in 1951, and the Boston Bruins, Bobby Orr in 1970. From the goal by the Montreal Victorias against the Winnipeg Victorias in the 1896 Stanley Cup rematch that truly made hockey's most famous hardware a national event, to Wayne Gretzky's 77th goal in 1982 that beat Phil Esposito's single-season record for goals, to Sidney Crosby's golden goal in the 2010 Vancouver Winter Olympics, Zweig serves up a slice of exceptional hockey moments that's sure to provoke heated discussion.

Professional Hockey in Philadelphia Alan Bass, 2020-09-29 Philadelphia has been a hockey town since 1897. Before and even during the Philadelphia Flyers' tenure, other teams, the Ramblers, the Quakers, and the Firebirds, among others, called the city home for better or for worse. The first of its kind, this comprehensive history covers the teams and players that graced the ice from the turn of the 20th century through the 2009 demise of the Philadelphia Phantoms. Offering something for every Philly hockey fan, the author tells the stories of the 10 pro teams that played the world's fastest game in the City of Brotherly Love.

Of Myths and Sticks Kevin Gibson, 2015-10-03 As engaging as the great game itself, the stories behind the National Hockey League are entertaining, fascinating, and at times unbelievable. Faux facts emerge from urban legends, conspiracy theories, and coincidences, leaving sports fans to debate truth and fiction in the world of hockey trivia. Few are better qualified to both debunk falsehoods and nail down amazing facts than TSN stats archaeologist Kevin Gibson, whose book *Of Myths and Sticks* blows the whistle on all hockey matters, from the mainstream to the obscure. What was the date of the first NHL game? Who scored the first goal, and which team won? Did Gordie Howe ever actually have a Gordie Howe hat trick? Gibson offers definitive answers to these fundamental questions but also contributes fascinating background nobody else thought to ask about, such as game-time weather, contract disputes, and the flu epidemic that claimed the lives of two players and cancelled the 1919 Stanley Cup Final. Gibson scores laughs with true facts from between the posts, noting that legendary Canadiens goalie Georges Vezina sired 24 children, he was known for saves on the ice and scoring off, and that the Quebec Bulldogs' shameful record of 4-20 may have been due in part to the worst nickname ever for a goaltender: Holes. The myth of the Original Six is down-sized to the Original One, as Gibson points out that the Montreal Canadiens is the only team to have been

around at the start of the NHL and to have retained their original team name Other highlights include hall of famers hall of shamers and an extensive On This Date chapter that highlights 366 trivia worthy moments from 95 years of hockey history Combining extensive research humor and keen curiosity Of Myths and Sticks is hockey s version of MythBusters what s true what s not and how can we make finding out almost as entertaining as watching the game *The Bruins in 25 Games* John G. Robertson,Carl T. Madden,2023-01-30 Having played more than 7 500 regular season and playoff games since the franchise s inception in 1924 the Boston Bruins have become an iconic National Hockey League team boasting a sizable fan base well beyond Massachusetts In a century of spirited play the Bruins have brought great joy and great disappointment to their passionate legions of followers across North America Twenty five of these games are presented here chronologically in great detail Most will be known to hardcore followers of the Bruins others may be on the obscure side All of them combine to create a tapestry of triumphs travails cheers and tears The book follows the club s fortunes from the early days of Eddie Shore and Tiny Thompson through the halcyon seasons of the Kraut Line forward to the dominant renaissance years of the Orr Esposito 1970s and into the third decade of the 21st century Hockey Stats and the Stories Behind Them Shane Frederick,2016-01-01 Explains important statistics and their history in the sport of hockey **Who's who in Hockey** Stan Fischler,Shirley Fischler,2003 If there is one book that s missing from the ever growing number of hockey books available it is an A to Z guide of the sport s all time greatest stars Finally that book has arrived Veteran hockey authors Stan and Shirley Fischler s Who s Who in Hockey is the complete guide to the game s greatest players This indispensable hockey reference book features all of the sport s most notable players from Wayne Gretzky and Howie Morenz to Rocket Richard Marcel Pronovost and Bep Guidolin For easy reference this comprehensive 480 page volume is divided into three parts pre World War II players World War II to Expansion and From 1967 68 to the present Each player s entry includes his biography personal statistics and career highlights along with anecdotal information In addition to player listings this power packed book will include o Dozens of player photoso Capsule histories of every past and present NHL franchiseo The colorful history behind the Stanley Cupo Profiles of the game s best coaches and managers o Profiles of others who ve helped make the game great such as Pete and Jerry Cusimano who pioneered the Detroit tradition of throwing octopuses onto the ice for luck Perhaps the most complete compendium of biographies on hockey s greatest players ever published Who s Who in Hockey will be a hot item with both die hard and newer fans of this popular professional sport
