Publications London Record Society, 1970 *Gaming Democracy* Adrienne L. Massanari, 2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In *Gaming Democracy* Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley's emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming *Gaming Democracy* is a novel contribution to our understanding of online platforms and far right political activism Online Othering Karen Lumsden, Emily Harmer, 2019-04-23 This book explores the discrimination encountered and propagated by individuals in online environments The editors develop the concept of online othering as a tool through which to analyse and make sense of the myriad toxic and harmful behaviours which are being created through or perpetuated via the use of communication technologies such as the internet social media and the internet of things The book problematises the dichotomy assumed between real and virtual spaces by exploring the construction of online abuse victims experiences resistance to online othering and the policing of interpersonal cyber crime The relationship between various socio political institutions and experiences of online hate speech are also explored *Online Othering* explores the extent to which forms of information technologies facilitate exacerbate and or promote the enactment of traditional offline offences such as domestic abuse and stalking It focuses on the construction and perpetration of online abuse through examples such as the far right the alt right and Men's Rights Activists It also explores experiences of and resistance to online abuse via examples such as victims experiences of revenge porn online abuse and misogyny transphobia disability hate crime and the ways in which online othering is intersectional Finally the collection addresses the role of the police and other agencies in terms of their interventions and the regulation and governance of virtual space's Contributions to the volume come from fields including sociology communication and media studies psychology criminology political studies information science and gender studies *Online Othering* is one of the very first collections to explore a multitude of abuses

and their relationship to information and communication technology

Everything You Need to Know About Fake News and Propaganda Carol Hand, 2017-12-15 These days it's hard to know what to believe Is the news on television and the internet real or fake How can you tell This comprehensive guide helps readers sift through the many types of information out there It gives guidelines for deciding which sources can be believed Using a wealth of examples from recent news politics and science it teaches readers how to distinguish fact from fiction and truth from lies It gives suggestions on how to function in a posttruth world

Incel Katherine Denkinson, 2025-11-14 With the rise of interest in dramas such as Netflix's *Adolescence* which aired in the UK in 2025 and a spate of crimes such as the Otley Run attack in April 2025 Incel culture has become headline news This timely and much needed book separates the fact and the fiction around Incels in an increasingly anxious national conversation Katherine Denkinson explores the men behind the incel subculture and the misinformation that surrounds them Incel has often been used as a one size fits all term for a wide range of communities from vulnerable to niche to outright misogynist and dangerous However the reality is not that simple Incels are not cartoonish villains but real people The internet has been their route to communication and connection but it has also led to them becoming demonised Who are these men What are their motivations How has our misunderstanding of this subculture made it seem even more dangerous About the author Katherine worked in the mental health arena for many years before becoming a journalist and writer She has a strong track record of writing on Incel culture Andrew Tate the Far Right and online radicalization Her work has led to her frequent appearance as an expert commentator on these issues in national broadcasting and in podcasts including hit podcast *Carrie Jade Does Not Exist*

Language Aggression in Public Debates on Immigration Andreas Musolff,2019-04-24 The global rise in the number size and complexity of migration flows has not only resulted in an unprecedented flurry of debates and negotiations about how to deal with it through economic social and military policies but also in a huge increase in racist and xenophobic language use and discriminatory discourse The expression of aggression and hatred in anti immigration debates and its relationship to racism and its pseudo justification lie at the center of this volume Its seven main contributions provide exemplary analyses of European and US debates that instrumentalize anti immigrant attitudes on the one hand among far right populists in Cyprus in Serbian and Croatian nationalism and in the Hungarian government s attempts at legitimizing immigration exclusion and on the other hand in discourses associated with US president Trump and his followers including racists tactical denial of racism Methodologically all studies pursue corpus based Critical Discourse Analysis with foci on lexical figurative argumentative and discourse historical patterns Together they show the convergence of populist polemic strategies Originally published as special issue of the Journal of Language Aggression and Conflict issue 5 2 2017 **Niles'**

year ever But as journalist Ross Benes shows the end of the 90s was also a banner year for low culture This was the heyday of Jerry Springer Jenna Jameson and Vince McMahon among many others Low culture had come into its own and was poised for world domination The reverberations of this takeover continue to shape American society During its New Year's Eve countdown MTV entered 1999 with Limp Bizkit covering Prince's famous anthem to the new year The highlights of the lowlights continued when WCW and WWE drew 35 million American viewers each week with sex appeal and stories about insurrections Insane Clown Posse emerged from the underground with a Woodstock set and platinum records about magic and murder Later that year Dance Dance Revolution debuted in North America and Grand Theft Auto emerged as a major video game franchise Beanie Babies and Pok mon so thoroughly seized the wallets and imagination of collectors that they created speculative investment bubbles that anticipated the faddish obsession over nonfungible tokens NFTs The trashy talk show Jerry Springer became daytime TV's most watched program and grew so mainstream that Austin Powers Sabrina the Teenage Witch The Wayans Bros The Simpsons and The X Files incorporated Springer into their own plots during the late 90s Donald Trump even explored a potential presidential nomination with the Reform Party in 1999 and wanted his running mate to be Oprah Winfrey whose own talk show would make Dr Oz a household name Among Springer's many guests were porn stars who at the end of the millennium were pursuing sex records in a bid for stardom as the pornography industry exploded aided by sex scandals new technology and the drug Viagra which marked its first full year on the US market in 1999 Benes shows us how so many of the strangest features of culture in 1999 predicted and influenced American life today This wild ride through pop culture uncovers the connections between the kayfabe of WWE and the theatrics of politics between the faddish obsession with Beanie Babies and with NFTs between faithful fans and political loyalists between violent video games and society's scapegoats and much more 1999 is not just a nostalgic look at the past It is also a window into our contentious present

The Aesthetics of Self-Harm Zoe Alderton, 2018-05-11 The Aesthetics of Self Harm presents a new approach to understanding parasuicidal behaviour based upon an examination of online communities that promote performances of self harm in the pursuit of an idealised beauty The book considers how online communities provide a significant level of support for self harmers and focuses on relevant case studies to establish a new model for the comprehension of the online supportive community To do so Alderton explores discussions of self harm and disordered eating on social networks She examines aesthetic trends that contextualise harmful behavior and help people to perform feelings of sadness and vulnerability online Alderton argues that the traditional understanding of self violence through medical discourse is important but that it misses vital elements of human group activity and the motivating forces of visual imagery Covering psychiatry and psychology rhetoric and sociology this book provides essential reading for psychologists sociologists and anthropologists exploring group dynamics and ritual and rhetoricians who are concerned with the communicative powers of images It should also be of great interest to medical professionals dealing with self harming patients

Reddit Pro This Week Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reddit Pro This Week has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reddit Pro This Week has opened up a world of possibilities. Downloading Reddit Pro This Week provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reddit Pro This Week has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reddit Pro This Week. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reddit Pro This Week. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reddit Pro This Week, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reddit Pro This Week has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
