Entrepreneurship the Future of Higher Education Mary Landon Darden, 2021-01-07 Projections are frightening Even before the onset of the COVID 19 pandemic financial considerations were forcing the closing of increasing numbers of American colleges and universities Higher education in the United States is facing a tsunami of economic issues and the abrupt shift to on line learning has only accelerated the process But it doesn t have to be this way The wobbly two legged stool that supports virtually every American school tuition and endowment was never designed to be sustainable into the 21st century Instead the university leaders of the future must embrace the best elements of the most forward seeing and nimble practitioners of modern business the entrepreneur Entrepreneurship the Future of Higher Education Radical Transformation in Times of Profound Change is that rare nuts and bolts guide that provides the essential tools for colleges and universities to switch from barely surviving to thriving Assisted by an impressive array experts and visionaries higher education author and futurist Dr Mary Landon Darden presents a do able roadmap out of the morass of escalating costs and decreasing revenue In no nonsense sometimes blunt language Darden lays out specific revenue streams available to virtually every college and a step by step primer on how to achieve them Entrepreneurship is not a theoretical argument parsed with passive voice modifiers and exceptions It is a blueprint on how to revive restore and secure the

academy in the second decade of the 21st century Each chapter addresses significant failures or missed opportunity that virtually all modern colleges can rapidly address and reform Too many institutions are hopelessly attached to the failed practices of the past Students have changed Governments have changed Economic engines and drivers have changed The need to financially support higher education has not and it is more crucial than ever Entrepreneuring the Future of Higher Education Radical Transformation in Times of Profound Change is the answer for the post COVID academy in America Practical unapologetically direct awash in real life applications and answers **Rapid Rails with Hobo** Jeff Lapidès, Owen Dall, Tom Locke, Zero to Production In Rust Luca Palmieri, 2022-03-14 Zero To Production In Rust is the ideal starting point for your journey as a Rust backend developer You will learn by doing you will build a fully functional email newsletter API starting from scratch You ll learn how to Navigate and leverage Rust s crates ecosystem Structure your application to make it modular and extensible Write tests from single units to full blown integration tests Enforce your domain invariants using Rust s type system Authenticate and authorize users of your API Implement a robust error handling strategy Observe the state of your application using structured logs Set up an extensive continuous integration and continuous deployment pipeline for your Rust projects The book is composed of 11 chapters for a grand total of 600 pages All supporting code including tests is available on GitHub
