True Story Danielle J. Lindemann, PhD, 2022-02-15 Named a Best Nonfiction Book of 2022 by Esquire A sociological study of reality TV that explores its rise as a culture dominating medium and what the genre reveals about our attitudes toward race gender class and sexuality What do we see when we watch reality television In *True Story* What Reality TV Says About Us the sociologist and TV lover Danielle J Lindemann takes a long hard look in the funhouse mirror of this genre From the first episodes of *The Real World* to countless rose ceremonies to the White House reality TV has not just remade our entertainment and cultural landscape which it undeniably has Reality TV Lindemann argues uniquely reflects our everyday experiences and social topography back to us Applying scholarly research including studies of inequality culture and deviance to specific shows Lindemann layers sharp insights with social theory humor pop cultural references and anecdotes from her own life to show us who we really are By taking reality TV seriously *True Story* argues we can better understand key institutions like families schools and prisons and broad social constructs such as gender race class and sexuality From *The Bachelor* to *Real Housewives* to *COPS* and more so much more reality programming unveils the major circuits of power that organize our lives and the extent to which our own realities are in fact socially constructed Whether we're watching conniving *Survivor* contestants or three year old beauty queens these guilty pleasures underscore how conservative our society remains and how steadfastly we cling to our notions about who or what counts as legitimate or real At once an entertaining chronicle of reality TV obsession and a pioneering work of sociology *True Story* holds up a mirror to our society the reflection may not always be pretty but we can't look away

Love, Inc. Laurie Essig, 2019-02-05 The notion of happily ever after has been ingrained in many of us since childhood meet someone date have the big white wedding and enjoy your well deserved future But why do we buy into this idea Is love really all we need Author Laurie Essig invites us to flip this concept of romance on its head and see it for what it really is an ideology that we desperately cling to as a way to cope with the fact that we believe we cannot control or affect the societal economic and political structures around us From climate change to nuclear war white nationalism to the worship of wealth and conspicuous consumption as the future becomes seemingly less secure Americans turn away from the public sphere and find shelter in the private Essig argues that when we do this we allow romance to blind us to the real work that needs to be done building global movements that inspire a change in government policies to address economic and social inequality
