The Role of AI in Modern Business: Using ChatGPT for Customer Service Ikechukwu Kelvin Maduemezia, 2025-08-19
Artificial Intelligence is no longer a futuristic concept it s a tool businesses can use today The Role of AI in Modern Business focuses on how AI especially tools like ChatGPT can transform customer service sales and operations You ll discover how AI chatbots handle customer inquiries 24 7 reduce workload for human teams and even boost sales with personalized recommendations Beyond customer service the book explores AI driven marketing data analysis and workflow automation for businesses of all sizes Real world case studies show how startups and established companies are using AI to cut costs and improve customer satisfaction Written in simple language it removes the fear and complexity around AI making it accessible for non technical business owners By the end you ll see AI not as a threat but as a competitive edge your business can t afford to ignore

Sociology of Waiting Paul Christopher Price, 2021-05-04 In *Sociology of Waiting* Paul Christopher Price investigates how people wait and analyzes what individuals do while waiting It is a key feature within U S and other societies waiting is universal Sociologically waiting gets at order and our ability or inability to pause Crowds cannot rush into concert venues and supermarket clerks cannot check out customers simultaneously So we must wait In all our waiting we ve developed strategies and structures for delays and such methods and structures provide order as well as understanding we recognize why we wait The sociology of waiting is a classic piece of everyday sociology a timeless piece of routine behavior Waiting is as natural as breathing eating and drinking indeed mothers wait nine months before infants are brought to term and summer will always follow spring Waiting provides its own lessons That is watching cars weave through traffic and receive citations by police we learn that waiting may have saved time and money Shining the light on waiting permits a far superior understanding of order and how our society organizes itself around taking turns Waiting is a matter that takes up much of our valuable time and resources consequently reducing wait time has become big business
