The retail industry and associated business models have gone through a significant phase of disruption. The rapid emergence of new technologies, digital business models, and the evolution of social media platforms as a new sales channel continue to influence the sector. Key contextual or external trends will affect and shape the retail landscape in the years to come. Therefore, it seems important to prepare for this situation and be ready with a head start in terms of knowledge. This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments. It deals with key trends in particular: new patterns of personal consumption, evolving geopolitical dynamics, technological advancements, and structural industry shifts. Moreover, it explains why it is so important that retailers use these trends, adapt their retail strategies and tactics, create strong brands, and come up with innovative new ways of doing business. Today we are living in a challenging time for retail. This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications. *Micro Video Marketing* Prabhu TL, 2024-12-25

In today's fast-paced digital world, where attention spans are fleeting and competition for engagement is fierce, micro video marketing has emerged as a game-changing strategy. Short, snappy, and impactful micro videos are transforming how brands communicate with their audiences, drive engagement, and boost conversions. Whether you're a seasoned marketer, small business owner, or aspiring content creator, *Micro Video Marketing: Captivate, Engage, and Convert in Seconds* is your ultimate guide to mastering the art of short-form video content. Why Micro Videos Matter: From TikTok to Instagram Reels and YouTube Shorts, micro videos have taken over the digital marketing landscape. These bite-sized videos, typically 15 to 60 seconds long, have the unique power to grab attention, deliver a message, and inspire action in just seconds. But creating impactful micro videos requires more than just creativity; it demands a strategic approach, technical know-how, and a deep understanding of what resonates with today's audiences. This book unpacks all of that and more, equipping you with everything you need to thrive in the world of micro video marketing.
