[illegible][illegible]

We provide printable cheat sheets in a variety of formats to suit just about any fantasy football draft style. Each of our printable cheat sheets includes player rank, name, a checkbox for marking them off, team, bye week, and the player's rank from the previous year using total fantasy points.

We have two single sheet printable options. One sheet includes enough players for a 10-team fantasy draft and incorporates a roster area right inside the sheet itself to enter your draft picks. The other single sheet option can accommodate a 12-team fantasy draft with the roster area being available on a separate sheet.
