The Gilded Age Promise Gregory Kopp, 2024-08-20 The promise of the Gilded Age evokes a worldwide exhilarating time of technological advancement and economic expansion American society is transforming from focusing on small rural farms to an urban one dominated by large corporations resulting in even more inequality between the wealthy and middle class Discriminatory segregation and immigration laws enacted by misguided and corrupt political leaders threaten to tarnish the American dream Nevertheless charismatic American women activists are generating a renewed impetus for women s rights through the alcohol temperance and women s suffragette movements Meanwhile turmoil in the Middle East forces the dashing British military intelligence agent Richard Cordwell to come out of retirement and embark on a secret mission for Her Majesty s government He encounters the beautiful French spy who stole

his heart and makes an astounding personal revelation Buffeted by these Gilded Age events an immigrant American family is determined to stand firm in their belief in the hope freedom and opportunity of their adopted country The words written by poet Emma Lazarus on the plaque at the base of the Statue of Liberty express this belief Give me your tired your poor your huddled masses yearning to breathe free The wretched refuse of your teeming shore Send these the homeless tempest tossed to me I lift my lamp beside the golden door Enjoy the next volume in the sweeping Kopp Chronicles saga **A Foreboding Future** Gregory Kopp,2023-08-15 The rise of authoritarian aggression abroad thrusts the dashing British Military Intelligence officer Richard Cordwell into mortal danger as he faces his most formidable foe to date only to be saved by the beautiful French spy Madame Duvernay Meanwhile at home mirroring today s cultural wars and the controversy over book bans passage of the anti obscenity Comstock Law creates an uproar in New York City as it puts an innocent woman on trial As these events unfold an immigrant family s hopes and dreams face a foreboding future but the discovery of gold and growth of cities in the Western prairies restores their faith in the American dream The exciting Kopp Chronicles saga continues as rulers leave the world stage and new ones rise to lead their nation s resurgence *Summary of Reminders of Him* Alexander Cooper,2023-01-16 Reminders of Him A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed and I understand there s been a lot of energy among her fans around the appearance of her freshest book What s more it s free on Kindle Unlimited to seek after a free starter Ensuing to getting Verity I didn t know whether her books were really a solid match for me but I ve been in the disposition for some feeling as of late so I regularly Hoover s latest conveyance was on my radar I similarly comprehended that Verity was a more prominent measure of faint opinion which isn t really what I m into which is perhaps why I didn t see the value in it Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I d will undoubtedly bounce on board with In Reminders of Him Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty s passing After the incident she d learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty s dearest friend who she hadn t met before then The contracted type of this review is that this book is a fair type of unequivocally the sort of book it s meaning to be Thusly if you want a misfortune y feeling you ll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you d expect from a pre arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could ve transformed into a semi putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly

troubled The male saint is an all around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn't really set up dressed somewhat provocatively and wasn't the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book Wreck Ginger Scott, Wreck is the second book in the brother's best friend friends to lovers Fuel Series by Ginger Scott When Dustin Bridges left Camp Verde to try to make it on his own he left half his heart behind A life with Hannah Judge was just too dangerous A mountain of chaos and violence was always aiming for the target on Dustin's back and that made giving up the only person he ever loved feel necessary But impossible isn't a word Dustin believes in Defying odds is what he's good at It's how he's survived And when fate calls him home he sees it as his chance to take back his girl to make his heart whole and to put his makeshift family back together Just one thing That family And more importantly that girl They want nothing to do with him When Dustin left Hannah without a word he broke a promise More than that he broke a bond He broke Hannah The life she saw in her future was gone in a blink and in its place she grew a heart of stone and a craving for danger But isn't danger what Dustin Bridges is really all about **Drummer Girl** Ginger Scott, 2019-07-24 Arizona Wakefield was a beat without a melody Living a half breathing life in a half finished neighborhood with parents who always wore half hearted smiles the high school senior only had one thing that let her color outside her family's perfectly drawn lines her drums Jesse Barringer was a song without a chorus The son of a washed up rock star who's also one hell of a deadbeat dad he was given two things from his father musical genius and a genetic link to the bipolar disorder that drives him mad One night in a garage at the end of a cul de sac in the middle of a bankrupt California neighborhood Jesse's melody found Arizona's rhythm An angry boy with storm colored eyes found a blonde angel in Doc Martens with missing lines in her own story Where her rhythm stopped his words took over and together they wrote one hell of a story **Drummer Girl** is a mature YA New Adult romance that touches on mental health drug abuse and includes mature sexual situations **The Girl I Was Before** Ginger Scott, 2015-06-23 I'm the selfish one I suppose that's the nicest thing people say about me I've heard the other things too Paige Owens is a pretty girl with nothing else to offer She's just a good time at a party She's stupid heartless cold and useless All she cares about is getting a guy to look at her Why would anyone want to be her friend Some of those things are true Others were true They're all hurtful None of it matters I'm ready to make the hard choices I'm ready to face the consequences I'm ready to be the girl I was before and I'm done being the one who lost her way I'm ready to become the girl Houston Orr sees when he looks at me Houston isn't a star athlete He doesn't play in a band He's never going to be president and his life is so far away from simple and easy it isn't even funny He wasn't part of my plan But I'm starting to think plans
