Moments in Baseball History Mark R. Brewer, 2022-11-29 No other sport can begin to compare to the rich history and statistical record of baseball It is part of what makes the game so alluring In *Moments in Baseball History* Mark R Brewer examines twenty two memorable games and the player at the center of that game It should prove a feast for baseball fans

Baseball, Inc. Frank P. Jozsa, Jr., 2006-02-17 During the second half of the twentieth century Major League Baseball and its affiliated minor leagues evolved from local and regional entities governing the play of America s favorite pastime to national business organizations The relocation of teams league expansion the advent of free agency and an influx of international players has made baseball big business on an increasingly global scale Focusing on the last fifty years this work examines the past and present commercial elements of organized baseball emphasizing the dual roles competitive sport and profitable business which the sport must now fulfill Twenty five essays cover five areas integral to the economic side of baseball business and finance human resources international relations management and leadership and sports marketing Detailed discussions of the redistribution of revenues the history of player unionization aggressive global marketing strategies of franchise owners and an evaluation of fan costs among other topics introduce the reader to the important issues and specific challenges professional baseball faces in an increasingly crowded yet geographically expansive sports marketplace The work is also indexed

Baseball Between the Numbers Jonah Keri, *Baseball Prospectus*, 2007-02-27 In the numbers obsessed sport of baseball statistics don t merely record what players managers and owners have done Properly understood they can tell us how the teams we root for could employ better strategies put more effective players on the field and win more games The revolution in baseball statistics that began in the 1970s is a controversial subject that professionals and fans alike argue over without end Despite this fundamental change in the way we watch and understand the sport no one has written the book that reveals across every area of strategy and management how the best practitioners of statistical analysis in baseball people like Bill James Billy Beane and Theo Epstein think about numbers and the game *Baseball Between the Numbers* is that book In separate chapters covering every aspect of the game from hitting pitching and fielding to roster construction and the scouting and drafting of players the experts at *Baseball Prospectus* examine the subtle hidden aspects of the game bring them out into the open and show us how our favorite teams could win more games This is a book that every fan every follower of sports radio every fantasy player every coach and every player at every level can learn from and enjoy

Hockey Fight in Canada David Shoalts, 2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers s bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of *Hockey Night in Canada* a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win proved to be costly for the victor in the first years When

Rogers sealed the 5.2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers's broadcasts in the process In anticipation Rogers gave Hockey Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015-16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and Hockey Fight in Canada details every fascinating play in this intersection of sports and business **iPod: The Missing Manual** J.D.
