Blutrigh,2017-01-31 A gay man who created New York s most notorious den of heterosexuality an anxious anything but hardboiled lawyer who became one of the most successful undercover mob informants in history In this hilarious and fascinating account Michael Blutrigh takes you inside star studded 1990s New York mafia sit downs and the witness protection program Meet Michael D Blutrigh founder of Scores the hottest strip club in New York history A resourceful lawyer at one of the city s most respected firms Blutrigh fell into the skin trade almost by accident but it was his legal savvy that made Scores the first club in Manhattan to feature lap dances and enabled him to neatly sidestep a law requiring dancers to wear pasties by instead covering their nipples with latex paint Soon Scores the club Howard Stern called like being in a candy shop was a home away from home for everyone from sports superstars and Oscar winning actors to pop singers and political notables alike The catch The club was smack dab in John Gotti s territory and the mafia wanted a piece of the action The Gambino family doesn t take no for an answer and neither as it turns out does the FBI In his memoir Blutrigh recounts in detail how his beloved club became a hub for the mafia and how he found himself caught up in an FBI investigation sorely struggling to juggle roles of business owner and undercover spy As his life spiraled out of control Blutrigh would face the loss of almost everything dear to him But whether marching a line of topless strippers as human exhibits into a trial to save the club s liquor license or wearing wires to meetings with armed gangsters he never lost his sense of humor or his nerve In Scores Blutrigh finally tells all from triumph to betrayal in his own funny self deprecating voice The Hockey Stick Principles Bobby Martin,2016-05-24 In The Hockey Stick Principles author Bobby Martin shifts his focus away from all the hype about rapid growth and the pursuit of funding and instead takes a look at the real process behind getting a good idea off the ground Many business books fuel unrealistic notions about what a good idea looks like how fast a founder should attract investment and how quickly growth will take off The problem with this mythology is that it can sometimes end with entrepreneurs abandoning their dreams too soon if they don t see immediate results Using a hockey stick as a metaphor and highlighting four key phases Martin shows the healthy way a business should grow and uses entertaining stories and interviews with successful entrepreneurs like the founders of LendingTree Under Armour and iContact woven throughout the book to not only share a wealth of advice but to chronicle the ins and outs of these different phases The Tinkering Period The tip of the stick or the time when you first develop and hone your idea The Blade Years The formative years when growth can be flat and navigating the unpredictable process of creating a company can be rocky The Inflection Point The crucial point in time right before your business takes off when it s important for entrepreneurs to prepare and make decisions to properly manage rapid growth Surging Growth Once your company proves that they have

potential you need to optimize that growth and scale up in a sensible way Innovation almost always involves a number of challenges misdirections and uncertainty and can take several years of struggle But The Hockey Stick Principles gives aspiring entrepreneurs and those in the midst of the messy process a realistic human and inspiring understanding of what starting an innovative business is like while teaching you what to look out for along the way as you shepherd your business through to success *Prospects for Financial Markets* ,1988 Remarkable Times Laurie Oakes,2013-10-29 A record of the most turbulent political times told by Australia s most trusted political commentator From June 2010 to the September 2013 federal election Australia went through its most remarkable tumultuous toxic and confrontational political era in modern history They say history is written by the victors and this collection reminds us of what it takes to become one From the very first days of the Gillard government to the carbon tax issue and from the return of the ever present Kevin Rudd to the machinations of the 2013 election campaign and its results Remarkable Times is both a record of and a guide to a unique time in Australian politics See what makes Tony Abbott tick read about life inside the Rudd bunker and understand the realities of Labor s crippling loss of competence purpose and direction they are all detailed here Laurie Oakes is respected across the political spectrum as the most trusted and independent commentator in the country This collection of his columns all written with his unbeatable combination of perspective and access gives an unbiased and authoritative account of the turbulent times since June 2010 and looks at what the results of the 2013 federal election mean for the victor and the vanquished **Introduction to Public Relations** Janis Teruggi Page, Lawrence J.
